His Favorite Hymn, The following was President Garfield's favorite hymn, and was sung at his funeral services.

Ho, reapers of life's harvest! Why stand with rusted blade, Until the light draws round thee And day begins to fade?

Lake View Cemetery, The spot where Mr. Garfield's remains now rest. Cleveland Special to Chicago Times. Lake View Cemetery, where President Garfield's remains now rest, embraces three hundred acres on the south side of Euclid Avenue.

The Assault on General Jackson at Norfolk, While, according to the great Bard of Avon, "there is a divinity which doth hedge a king," and places him in popular estimation above the common herd of mortals, there is nothing of the kind surrounding the person of him who is called to rule over a free people.

There are 8,000,000 bushels of coal at Pittsburg awaiting a rise in the river to be shipped away. It is reported that Gen. Grant has sold to the Atlantic and Pacific a tract of swamp land in Arizona, California, at an advance of \$75,000 on the purchase price.

The greatest of French clowns, greater than the Atlantic and Pacific, and Ravel, died recently. His name was Aurio, and he had accumulated a fortune. His mother was a circus rider, who danced on horse back the same evening that he was born.

England has more wealth and poverty than any other country. There are about 8,000,000 utter paupers and 1,000,000 on the verge of want. It takes an enormous amount of wretchedness to make great millionaires.

A steam hammer weighing seventeen tons has just been put into operation at the Black Diamond steel works in Pittsburg. It will be used in pounding iron into shape steel ingots two feet square.

An able-bodied Toronto man took his father to the station-house and asked that he be committed as a vagrant. The other five children of the old man are all earning good wages, but they do not think they want any papa now.

It is said that India can grow better tea than China, and 45,000,000 pounds of tea have been imported into England since the importation began in 1850. Over 200,000 acres in India are now planted with tea, representing an investment of \$10,000,000 and giving employment to over a quarter of a million of people.
