among children, she has especially studied the constitution and wants of this numerous class, and, as a result of this effort, and practical knowl-edge, obtained in a lifetime spent as nurse and physician, she has compounded a Soothing Syrup, for children teething. It operates like magic-giving rest and health, and is moreover, sure to regulate the bowels. In consequence of this ar-ticle, Mrs. Winslow is becoming world-renowned as a benefactor of her race; children certainly do rise up and bless her; especially is this the case as a benefactor of her race; children certainly do rise up and bless her; especially is this the case in this city. Vast quantities of the Soothing Syrup are daily sold and used here. We think Mrs. Winslow has immortalized her name by this in-valuable article, and we sincerely believe thous-ands of children have been saved from an early grave by its timely use, and that millions yet un-born will share its benefits, and unite in calling her blessed.
