Neuralgia, Sprains,

Pain in the Back and Side. There is nothing more painful than these

diseases; but the pain can be removed and the disease cured by use of Perry Davis' Pain Killer.

This remedy is not a cheap Bennine or Petroleum product that must be kept away from fire or heat to avoid danger of explosion, nor is it an untried experi-ment that may do more harm than good. Pain Killer has been in constant use for forty years, and the universal testimony

from all parts of the world is, it never fails. It not only effects a permanent cure, but it relieves pain almost instantaneously. Being a purely vegetable remody, it is safe in the hands of the most inexperienced.

The record of cures by the use of PAIN KILLER would fill volumes. The following extracts from letters received show what those who have tried it think:

Edgar Cady, Owatonna, Minn., says: About a year since my wife became subject to severe suffering from rheumatism. Our resort was to the PARS KILLES, which speedily relieved her. Charles Powell writes from the Sailors' Home, London:

Home, London: I had been sflicted three years with neuralgis and violent spasms of the stomach. The doctors at Westminster Hospital gave up my case in despair. I tried your PAIN KILLER, and if gave fine immediate relief. I have regained my strength, and am now able to follow my usual occumation. G. H. Walworth, Saco, Me., writes: I experienced immediate relief from pain in the side by the use of your PAIN KILLER. fork says:

E. York says: I have need your PANW KILLER for rheumatism, and have received great benefit. Barton Seaman says: Have used PANW KILLER for thirty years, and have found it a never-failing remedy for rheumatism and lameness. Mr. Burditt writes: It never fails to give relief in cases of rheumatism. Phil. Gilbert, Somerset, Pa., writes: From actual use, I know your PAIN KILLER is the best medicine I can get.

All druggists keep PAIN KILLER. Its price is so low that it is within the reach of all, and it will save many times its cost in doctors' bills. 25c., 50c. and \$1.00 a bottle. PERRY DAVIS & SON, Proprietors,

C., Comp. L. H. Stephens, High Priest, con-ferring them, and was on the rolls when his death occurred. He received the degrees of Select Architect and Most Excellent Architect, February 2, 1871, in King Solomon's lodge, Free and Accepted Architects, Washington, D. And mach, Flear, their dearst most really for 14." The Thane of Petersburg has it all and is Governor of Virginia as well as Senator of the United States. The election of Tuesday last has un-doubtedly shown that the coalition de-vised years ago by Mahene has at length triumphed. The Coalition party has elected its Executive and Legisla, lative ticket, and has won full govern-mental control of Virginia. It were idle now to pursue the faults or follies which were committed or suf-fered by the opponents of the Coalition, and which have enabled the Coalition, and which have enabled the Coalition to triumph. The Democratic parts of Virginia is the one founded upon the immutable basis of good faith, but it has allowed itself to be attacked by caste prejudice and skillful organization, and thereby suffered a disastrons also a temporary defeat. Adjoit use of the poll tar and the deat, together with a shameless al-liance with the negro, has enabled Ma-hone to place his creatures in pow-er.
