Medical.

Rheumatism

Neuralgia, Sprains,

Pain in the Back and Side.

There is nothing more painful than these diseases; but the pain can be removed and the disease cured by use of **Perry Davis' Pain Killer.**

This remedy is not a cheap Benzine or Petroleum product that must be kept away from fire or heat to avoid danger of explosion, nor is it an untried experiment that may do more harm than good.

Pain Killer has been in constant use for forty years, and the universal testimony from all parts of the world is, **It never fails.** It not only effects a permanent cure, but it relieves pain almost instantaneously. Being a purely vegetable remedy, it is safe in the hands of the most inexperienced.

The record of cures by the use of PAIN KILLER would fill volumes. The following extracts from letters received show what those who have tried it think:

Edgar Cady, Owatonna, Minn., says:
About a year since my wife became subject to severe suffering from rheumatism. Our resort was to the PAIN KILLER, which speedily relieved her.

Charles Powell writes from the Sailors' Home, London:
I had been afflicted three years with neuralgia and violent spasms of the stomach. The doctors at Westminster Hospital gave up my case in despair. I tried your PAIN KILLER, and it gave me immediate relief. I have regained my strength, and am now able to follow my usual occupation.

G. H. Walworth, Saco, Me., writes:
I experienced immediate relief from pain in the side by the use of your PAIN KILLER.

E. York says:
I have used your PAIN KILLER for rheumatism, and have received great benefit.

Barton Seaman says:
Have used PAIN KILLER for thirty years, and have found it a *never-failing* remedy for rheumatism and lameness.

Mr. Burditt writes:
It *never fails* to give relief in cases of rheumatism.

Phil. Gilbert, Somerset, Pa., writes:
From actual use, I know your PAIN KILLER is the best medicine I can get.

All druggists keep PAIN KILLER. Its price is so low that it is within the reach of all, and it will save many times its cost in doctors' bills. **25c., 50c. and $1.00 a bottle.**

STATE NEWS.

Fayetteville *Examiner:* The Cumberland county fair was a success.

On Wednesday, November 2d, a difficulty occurred in Flea Hill township between a colored young man by the name of Joshua McDaniel, and Faircloth, a white man, which resulted in McDaniel's receiving a severe cut in the abdomen from the effects of which he died. Faircloth was arrested and committed to the jail in this place.

The graded school is doing well. The number of pupils now enrolled is about four hundred.

The recent rains have raised the Cape Fear River a few feet and the boats have been running during the past and present week.

Raleigh *News and Observer:* Sheriff H. E. Kearney, of Franklin county, Friday, placed in the penitentiary five convicts, three for larceny and two for bigamy. Their names are: Frank Branch, Isham Brinkley, Wm. Winston, Isaac Jones and Ruffin Foster.

The Norfolk and North Carolina Navigation Company was organized in Norfolk, Thursday, to run a line of steamers on the Dismal Swamp canal. Capt. Henry Roberts was elected president.

Greensboro *Tribune:* We are informed by a gentleman connected with the revenue service that at least 18 whiskey distilleries will soon resume operations in this district.

The Baptist Mission Work.

Winston Leader.

An interesting discussion took place in the Baptist State Convention, Thursday afternoon, on the subject of the State mission work of the Convention during the last twelve months. At the close of the speeches pledges were made for the assistance of the State Board in this department of labor, to the extent of $3,400—a larger amount than ever before raised in the convention at one time for that purpose.

From the report of the board we gather the following facts, which will no doubt prove of great interest to the Baptists of the State. The entire liabilities of the board have been met; a greater number of missionaries have been appointed and large appropriations made than at any previous time in the history of the board; during the past year more than 6,000 professions have been reported, and about 5,000 added to the church. In the colored church more than 9,000 persons have been baptized.

The number of State missionaries under the general supervision of the board has been 26, of which 11 have been sustained by associational boards, and commissioned by the State board:

The following statistical statement will be read with interest:

Associations correspond'g with the Baptist State Convention,	26
Number of churches in these associations in 1880..........	767
New churches organized this year..........	27
Whole number of churches in 1881..........	794

The total amount expended upon mission work in the State is reported at $68,420.57.

Curious Facts About Fishes.

Much interest is now being taken by scientists in regard to the habits, instincts and emotions of fishes. Naturalists have generally accepted Curvier's view, that the existence of fishes is a silent, emotionless and joyless one; but recent observations tend to show that many fishes emit vocal sounds, and that they are susceptible of special emotions, particularly such as regard for their young, attachment among the sexes and for locality. Among monogamous fishes there is often seen decided evidence of watchfulness over their young, in which the males not infrequently act an important part. Among nest-building fishes the male often prepares the nest. Among some that do not build the nest the eggs are carried about in the cheek hollows of the male. Cases have been noticed where male fishes have remained in the same spot in the river from which the female had been taken. A case is noted where, after a pair had been separated, both appeared miserable and seemed nigh unto death, but on being united again both became happy. In fish battles it is sometimes noticed that the conqueror assumes brilliant hues, while the defeated one sneaks off with faded colors, the change evidently being brought about by emotional feelings. There are certain classes of fish that are capable of a kind of organization for acting in concert for common defense or to attack a common enemy. The remarkable success which has of late attended the breeding of fish has shown that as a matter of economy an acre of good water is worth more to a farmer than the same area of the best arable land. This subject, in all its bearings, is one that deserves even more attention than it has hitherto received.

AN ENTHUSIASTIC ENDORSEMENT.

Gorham, N. H., July 14th, 1879.

Gents—Whoever you are, I don't know; but I thank the Lord and feel grateful to you to know that in this world of adulterated medicines there is one compound that proves and does all it advertises to do, and more. Four years ago I had a slight shock of palsy, which unnerved me to such an extent that the least excitement would make me shake like the ague. Last May I was induced to try Hop Bitters. I used one bottle, but did not see any change; another did so change my nerves that they are now as steady as they ever were. It used to take both hands to write, but now my good right hand writes this. Now, if you continue to manufacture as honest and good an article as you do, you will accumulate an honest fortune, and confer the greatest blessing on your fellow-men that was ever conferred on mankind.

TO ACCOMMODATE THE PUBLIC.

The proprietors of that immensely popular remedy, Kidney-Wort, in recognition of the claims of the public which has so liberally patronized them, have prepared a liquid preparation of that remedy for the special accommodation of those who from any reason dislike to prepare it for themselves. It is very concentrated and, as the dose is small, it is more easily taken by many. It has the same effectual action in all diseases of the kidneys, liver or bowels.—Home and Farm.

NEW YORK, Nov. 14.—11 a. m.—The Stock market opened irregular and the general list was weak in early dealings, prices declining ¼ to 1 per cent., the latter for Memphis and Charleston which however was ¾ per cent higher at the opening than at the close on Saturday. Alton and Terre Haute shares were notably strong, common stock selling up to 2¾ per cent. to 59, and the preferred 2¾ to 99¾. The rest of the market also became firm at the first board and an advance of ¼ to 1¼ per cent. was recorded which was most marked in Erie preferred, Missouri Pacific, Northern Pacific and Texas Pacific.

A Crank Threatens Jay Gould's Life.

NEW YORK, Nov. 14.—A crank, or blackmailer, has been sending letters to Jay Gould threatening to take his life if the writer is not given points whereby he can recover a fortune lost in stocks. The writer claims to be inspired from God, and the method of carrying out his mission as described is similar to that of Guiteau's, and he signs himself "an old victim."

A trap was set and the writer of the letters was caught yesterday. He gave his name as Col. J. Howard Wells. He gave a fictitious address. He is about 60 years old. He admitted his guilt.

SHREVEPORT, LA., Nov14.—Gus., Marion and James Boynton, three brothers, were arrested yesterday and locked up charged with being the parties who attempted to assassinate Wm. Vaughan about two months ago near Longwood in this parish. A posse is now on the lookout for Lee Boynton, another brother.

Progress of the Baptists in North Carolina.

Winston Leader.

From the reports of the corresponding secretaries of the Mission, Sunday school and educational boards of the North Carolina Baptist State Convention, now in session at this place, we gather the following items:

There are in the State of North Carolina 67 associations, composed of 1,910 churches and 191,812 church members. Of these 31 associations containing 866 churches with 88,810 members are colored, which leaves 36 associations, 1,044 churches and 103,002 members among the whites. Ten of these white associations, containing 250 churches with 17,002 members are in the Western North Carolina Baptist Convention which lies beyond the Blue Ridge, and about 3,000 are members of churches which lie along the borders of the State and cooperate with the State coventions of Virginia, South Carolina and Tennessee. So the convention, now in session at Winston represents 26 associations, 794 churches and 83,000 members all of which are white, and lie east of the Blue Ridge mountains. During the past year they have raised

For church extension and State missions,..................	$68,420.57
For Foreign missions......	3,791.55
For Home and Indian missions.	1,218.12
For Ministerial education,....	3,061.58
For State S. Board,............	3,633.87
For Sunday schools and Sunday school institutes,.......	6,000.00
Making a total of............	$86,155.69,

or an average of $1.03 per member. During the year 1881 they have erected 46 new churches and made a gain of 5,000 members over the reports for last year. When the convention was first organized in 1830 there were in the whole State but 14 associations and about 15,000 members including Free Will and Anti-Missionary or Primitive Baptists as well as Missionary Baptists. Now the Missionary Baptists alone number 191,812 communicants, or nearly one out of seven of the entire population of the State.

There is but one verdict, and that is, that in thirty-three years Dr. Bull's cough syrup has never failed to cure a cough, cold or general hoarseness. At drug stores. Price 25c.

The owner of the Walnut street livery stables, Lancaster, Pa., is Mr. Isaac Powell, who writes: My mother used St. Jacobs Oil for a bad swelling, which doctors pronounced rheumatism and dropsy combined. Although so ill that she could hardly walk, after the use of St. Jacobs Oil she went about with ease. I also used St. Jacobs Oil on a horse that was badly galled; it removed the soreness and healed more rapidly than any preparation I ever saw.

AS THOUSANDS DO TESTIFY,

So does Thomas Roberts, Wholesale Grocer, Philadelphia, who says: "Burnett's Cocoaine allays all irritation of the scalp, and will most effectually remove dandruff and prevent the hair from falling out."

BURNETT'S FLAVORING EXTRACTS—The superiority of these extracts in their perfect purity and great strength. They are warranted free from the poisonous oils and acids which enter the composition of many factitious fruit flavors.

In the matter of disordered nerves, Boston girls suffer no more than those of other cities. There are painful sensibilities that nothing can cure so thoroughly as Dr. Benson's Celery and Chamomile Pills, and every nervous girl should use them.

FADED OR GRAY HAIR gradually recovers its youthful color and lustre by the use of Parker's Hair Balsam, an elegant dressing, admired for its purity and rich perfume.

"Liebig Co's Arnicated Extract of Witch Hazel is the very best preparation of Witch Hazel which I have ever used." C. C. OLMSTED, M. D., Wheeling, West Va. Cures Piles, Salt Rheum, Painful Monthlies, and Catarrh. Sold in fifty cents and dollar sizes.

It is worth remembering that nobody enjoys the nicest surroundings if in bad health. There are misera ble people about to-day with one foot in the grave, when a bottle of Parker's Ginger Tonic would do them more good than all the doctors and medicines they have ever tried. See adv.

A Famous Case Settled at Last.

Raleigh News-Observer 12th inst.

GOLDSBORO, Nov. 12.—To-day Judge Shipp decided the *habeas corpus* case involving the custody of the children in the Arrington case. About thirteen years ago, Mr. and Mrs. Arrington, being highly respectable citizens of Nash county, intermarried, but shortly thereafter there were family jars, which, continuing, Mrs. Arrington went west and obtained a divorce, whose legality, however, is questioned. Some months ago a *habeas corpus* case was begun to determine who was entitled to the custody of the children. The evidence taken was very voluminous, hundreds of witnesses being examined, among them the very best people of that county, who all took a great interest in the result of the case. A host of able counsel were retained on both sides. Among them for Mr. Arrington were Messrs. Merrimon & Fuller and B. H. Bunn, and for Mrs. Arrington Hon. W. T. Dortch and Hon. J. J. Davis and Jacob Battle. The result of the trial has been awaited with great interest. It was in the discretion of the Judge to award the children to either party, and he decided that the mother should have them. The costs were divided.

ASTHMA Quickly and Permanently CURED

Dr. Stinson's Asthma Remedy is unequaled as a positive Alterative and Cure for Asthma and Dyspepsia, and all their attendant evils. It does not merely afford temporary relief, but is a permanent cure. Mrs. B. F. Lee, of Belmore, O., says of it: "*I am surprised at the speedy effects of your remedy. It is the first medicine in six years that has loosened my cough and made expectoration easy. I now sleep all night without coughing.*" If your druggist does not keep it, send for treatise and testimonials to
