Medical.

Rheumatism

Neuralgia, Sprains,
Pain in the Back and Side.

There is nothing more painful than these
diseases; but the pain can be removed and
the disease cured by use of Perry Davis'
Pain Killer.

This remedy is not a cheap medicine
or a placebo, as some people would have
you believe. It is a tried and tested
remedy, and its use is a sure sign of
wisdom.

Pain Killer has been in constant use
for forty years, and the universal testimony
from all parts of the world is, it never
fails. It not only effects a permanent cure,
but it relieves pain almost instantaneously.

Being a purely vegetable remedy, it is safe
in the hands of the most inexperienced.

The record of cures by the use of PAIN
KILLER would fill volumes. The following
extracts from letters received show what
those who have tried it think:

Wm. S. Swanson, Minn., says:
"About a year since my wife became subject
to severe rheumatism. Our
doctor used the PAIN KILLER, which speedily
cured her."

Charles F. Waller, from the Sellers'
Home, London, writes:
"I had been afflicted three years with
rheumatism and neuralgia. The doctor
used Perry Davis' Pain Killer, and I
was cured. I have since used it several
times, and it has always proved
effective."

G. M. Walworth, Ind., writes:
"I have used Perry Davis' Pain Killer for
rheumatism, and have received great
benefit."

Barney Hester, from the Sellers'
Home, London, writes:
"I have used Perry Davis' Pain Killer for
rheumatism, and have received great
benefit."

Mr. Hester writes to give relief in case of
rheumatism. Phil. Gilbert, Somerset, Pa., writes:
"I have used Perry Davis' Pain Killer
for rheumatism, and it has cured me."

All druggists keep PAIN KILLER. Its price
is so low that it is within the reach of
all. It is a sure cure for rheumatism,
neuralgia, indigestion and other troubles
arising from a disordered stomach.

Deferred Telegrams.

The Democratic Senators in their
caucus Tuesday morning decided to
make no contest over the equal division
of the committees, but to leave the
question to the sense of fairness of the
Republican Senators.

English cotton manufacturers are
moving for government encouragement in
the cultivation of cotton in India.

Hon. Jefferson Davis is a passenger
on one of the steamers from England
now on route at New York.

Petitions were introduced by several
Senators on Tuesday requiring rail-
roads to conduct their business on terms
just and equitable to the public, one
asking for a territorial government for
South Eastern Alaska, a bill introduced
by Cameron, for a post office and
United States court house at Erie, Pa.,
a bill for the admission of Dakota
territory as a State, a bill by Ingalls
granting the franking privilege to Mr.
Garfield, and one by Mr. Pendleton, to
promote civil service, and prevent ex-
clusion from persons in the public ser-
vice, and bribery and coercion by such
persons.

A committee was appointed on be-
half of the House to confer with a
committee of the Senate to pass resolu-
tions expressive of the sentiments of
these bodies on the death of President
Garfield.

On motion of Kelly, of Pennsylvania,
the President's message was ordered to
be presented.

A motion asking the President to
communicate to Congress the instruc-
tions sent to our ministers at Chili and
Peru in regard to the war between those
countries was tabled as premature.

House adjourned till Friday.

Kellogg, of Louisiana, introduced
bills for the establishment of ocean
mail service by American vessels, and
the revival of American shipping. A
bill by Windom to make Dakota a State
and also establish the territory of
Northern Dakota. By Brown for the
settlement of accounts with certain
railway companies. A resolution by
Beck to enquire into the laws govern-
ing the Presidential vacancy question.

A committee of six was appointed to
act with the House committee on resolu-
tions in reference to the death of
President Garfield.

TARRANT'S
SANTAL
APERIENT

"Screw the finger as tight as you can, that's
rheumatism; one turn more, that's gout; is a
familiar description of these two diseases. Though
each may do about different parts of the
system, the cause is believed to be a poisonous
acid in the blood. Purify this by the use of

TARRANT'S SANTAL APERIENT

It will do the work speedily and thoroughly. It
is the great friend of the sufferer from rheuma-
tism and all ailments.
