Medical.

Rheumatism

Neuralgia, Sprains,
Pain in the Back and Side.

There is nothing more painful than these diseases; but the pain can be removed and the disease cured by use of Perry Davis' Pain Killer.

This remedy is not a cheap Benzine oil. It is a powerful medicine which can be kept away from fire or heat to avoid danger of explosion, nor is it an untried experiment that may do more harm than good.

Pain Killer has been in constant use for forty years and the universal testimony from all parts of the world is, it never fails. It not only effects a permanent cure, but relieves pain in a few moments. Being a purely vegetable remedy, it is safe in the hands of the most inexperienced.

The record of cures by the use of Pain Killer would fill volumes. The following extract from letters received show what those who have tried it think:

Edgar Cady, Owatonna, Minn., says: "About a year since my wife became subject to severe suffering from rheumatism. Our physician recommended Perry's Pain Killer, which speedily relieved her."

George W. Walworth, Sacramento, Calif., writes: "I experienced immediate relief from pain in my back and sides by the use of your PAIN KILLER."

I have used your PAIN KILLER for rheumatism, and the results are wonderful. Barton Seaman says: "I have had a great deal of trouble with rheumatism for thirty years and have found it a never-failing remedy for me."

Mr. Burroughs, New York, Pa., writes: "It never fails to give relief in cases of rheumatism, neuralgia, &c." Dr. G. T. Harrison, Philadelphia, Pa., writes: "The best medicine I can get."

All druggists keep PAIN KILLER. Its price is so low that it is within the reach of all, and it will save many times its cost in doctors' bills, 25c., 50c., and \$1.00 a bottle.
