A Never-Failing Cure for Burns, Bruises, Cuts, Sores, etc.

After forty years of trial, Perry Davis' Pain Killer stands unrivaled. It is safe! It acts immediately! It never fails!

Editor of the St. John (N. B.) News, says:

It is the most effectual remedy we know of. No family can do without a bottle of it for a single hour.

From the Cincinnati Dispatch:

It is a most effective remedy, and known to be a good article.

From L. P. Potter, U. S. Consul at Crefeld, Germany:

After long years of use, I am satisfied it is positively efficient and a healing remedy for wounds, burns, and sprains.

W. W. Adams, Saco, Me.:

It is a panacea for all bruises and burns.

From E. W. Adams, Saco, Me.:

It is a most immediate relief.

L. Lewis says:

In forty years it has not failed me.

W. W. Adams, Saco, Me.:

I use your PAIN KILLER frequently. It relieves pain and soreness, and heals wounds like magic.

J. W. Davis says:

For scalds and burns it has no equal.

PERRY DAVIS' PAIN KILLER is not a new contrived remedy. For forty years it has been used and tested, and we have used it the longest of all.

Its success is entirely because of its merit.

Since the Pain Killer was a discovery of the author, it has been sold to him by his friends, who have come and gone, while to-day this medicine is more extensively used and more highly valued than ever before. It is perfectly safe even in the hands of a child. Try it once thoroughly, and it will prove its value. You can buy it at 50c per bottle, or \$1.00 per bottle.
