OUR WASHINGTON LETTER.

COOPER CONFIRMED AT LAST.

Senators Vance and Ransom Withdraw Their Opposition—Why Ransom Voted for the Retirement of Gen. Grant—The Investigating Committee—What Our Senators and Representatives Are Doing—Postal Notes and Personal Items.

WASHINGTON, April 24.—Cooper has been confirmed, after all, as Collector of Internal Revenue for the Sixth District of North Carolina. With the passage of the resolution granting a committee to investigate the affairs of that district, most of the opposition to him ceased. Senator Vance authorizes me to say that, as far as he is concerned, he decided no longer to oppose his confirmation. It was mainly by Senator Ransom's from the third of a stalwart Republican Senators voted against Cooper when that matter came up in executive session of the Senate. To secure this support, Senator Ransom cast his vote for the retirement of the retired list. This action on his part has subjected him to much harsh criticism from the press of his State, who, not knowing his motive, have been roundly abusing him ever since. It was a stroke of policy, his friends here think, for him to have voted as he did, for in return he has gotten much support for measures that more closely interested his people than would the placement of Grant in a snug berth. And, again, it was a foregone conclusion that the bill would pass. Had it required Senator Ransom's vote to have decided the matter, it is safe to say that he would have voted for it. A Destroyed Fire at Enclaire, Minn.

ST. PAUL, April 25.—A special from Enclaire says a fire consumed at 3 o'clock yesterday afternoon in a small barn located in the rear of Miner's store in Pioneer block. The steamboat Minnie Herman passed by a few moments previous to the discovery of the fire and it is supposed that a cinder from her chimney resulted in a total destruction of no less than four blocks of buildings partly composing the business portion of the town on the west side of the river, being located directly in the heart of the business part of the city. The excitement is so intense that it is an impossibility to get any accurate estimate of the losses, but it is safe to say that it will be not less than from \$250,000 to \$275,000.

TO ALL WHO ARE SUFFERING FROM THE ERRORS AND INDECISIONS OF THE DISCOVERY OF THE FIRE AND IT IS SUPPOSED THAT A CINDER FROM HER CHIMNEY RESULTED IN A TOTAL DESTRUCTION OF NO LESS THAN FOUR BLOCKS OF BUILDINGS PARTLY COMPOSING THE BUSINESS PORTION OF THE TOWN ON THE WEST SIDE OF THE RIVER, BEING LOCATED DIRECTLY IN THE HEART OF THE BUSINESS PART OF THE CITY.

THE EXCITEMENT IS SO INTENSE THAT IT IS AN IMPOSSIBILITY TO GET ANY ACCURATE ESTIMATE OF THE LOSSES, BUT IT IS SAFE TO SAY THAT IT WILL BE NOT LESS THAN FROM \$250,000 TO \$275,000.
