WASHINGTON NOTES. EXPEDITIONS FOR THE ARCTIC REGIONS.

WASHINGTON, May 15th, 1882.—The signal service is about to send two expeditions to the Arctic regions for the relief and supply of the parties already there.

These stations, with others, have been established for the purpose of taking meteorological, astronomical, magnetic and time observations as near as possible to the north pole.

The simultaneous observations will begin on the first of the coming August. The two expeditions that are to start out as soon as possible will consist of the following parties.

Mr. Joseph Nimmo, Jr., statistician of the treasury department, furnishes a summary of the imports and exports of the United States for the month of February, 28, 1882.

Dr. C. W. Benson has long been well known as a successful physician and surgeon and his life study has been the diseases of the nervous system and of the skin.
