WHEELER & WILSON'S

NEWS NOW.

An Appalling Thought.

Wall Street News.

During the second year of the war a

grocer in Ohio told him his price

by reports from the front. One day a

defeat would raise the price of butter 4

cents, and a victory 2 cents.

He presently looked up and said, "I

haven't got any butter left, what you sell, what a hell of a war would be if there should

happen to me drawn battle."

For good men, women, weak and sickly children

without a rival. Will not cause headache. Brown's
