WOMAN'S BEST FRIEND.

It is well known to physicians, and alas! too well It is well known to physicians, and alas! too well known to suffering women themselves, that they are subject to numerous diseases peculiar to their sex, such as suppression of the Menses, painful and scanky Menstruation, Congestion, Ulceration and Kailing of the Womb, attended with an endless train of sympathetic and constitutional disorders, which embitters the whole life, and which the large been considered as almost incurable. have long been considered as almost incurable. But at last the remedy has been found in

DR. J. BRADFIELD'S FEMALE REGULATOR. It is not a "cure-all" but a remedy for one class of diseases, all of which pertain to the Womb.

Any sufferer from the diseases mentioned can take this remedy, and thus relieve herself without revealing her condition to any one, and without subjecting her womanly modesty to the shock of an examination by a physician. an examination by a physician.

To bring health and happiness to the homes of suffering women is a mission before which royal favor sinks into insignificance. What earthly benefaction can compare with one which protects from

which gives ease for pain, joy for sornew, smiles for tears, the rose of heath for the pallor of disease, the light, elastic step for dragging weariness nights of soft repose for heavy hours of tossing restlessness, bounding vigor for languishing duliness, the sweet lines of full grown beauty for the sharp and withered form of emaciation, a long life of mental, physical, social and domestic enjoyments for a "few sad days" of pain and gloom, ending in an early grave? Such is the mission, such are the results of Dr. J. BRADFIELD'S FE MALE REGULATOR, which is hence truly and appropriately styled "Woman's Best Friend."

"Whites" and all those irregularities of the womb so destructive to the health, happiness and beauty of women: disappear like magic before a single bottle of this wonderful compound.

All who suffer from any of these diseases are most earnestly inwited to give this great ramedy a trial. It has cured thousands and will cure you. Don't fall to try it.

SAMARITAN NERVINE

Cures Alcoholism, Drunkenness and the habit of Cures Alcoholism, Drunkenness and the habit of Opium Rating. These degrading habits are by far the worst evils that have ever befallen suffering humanity. Thousands die annually from these noxious drugs. The drunkard drinks liquor not because he likes it, but for the pleasure of drinking and treating his friends, little thinking that he is on his road to ruin. Like the Opium Rater, he first uses the drug in small quantities as a harmless antidote. The soothing influence of the drug takes strong hold upon its victim, leading him on to his own destruction. The habits of Opium Rating and Liquor Drinking are precisely what Eating and Liquor Drinking are precisely what eating is to alimentiveness, as over eating first in-flames the stomach, which redoubles its cravings until it paralyzes both the stomach and appetite. So every drink of liquor or dose of opium, instead of satisfying, only adds to its fierce fires, until it consumes the vital force and then itself. Like the glu.tonpus tape-worm, it cries "Give, give, give!" but never enough until its own rapacity devours itself. Samaritan Nervine gives instant relief in such cases. It produces sleep, quiets the nerves, builds up the nervous system, and restores body and mind to a healthy condition.
