PLAIN TRUTHS

The blood is the foundation of life, it circulates through every part of the body, and unless it is pure and rich, good health is impossible If disease has entered the system the only sure and quick way to drive it out is to purify and enrich the

These simple facts are well known, and the highest medical authorities agree that nothing but iron will restore the blood to its natural condition; and also that all the iron preparations hitherto made blacken the teeth, cause headache, and are otherwise injurious.

Brown's Iron Bitters will thoroughly and quickly assimilate with the blood, purifying and strengthening it, and thus drive disease from any part of the system, and it will not blacken the teeth, cause headache or constipation, and is positively not injurious.

17 N. Eutaw St., Baltimore, Md. Feb. 12, 1880. — Gents:—Upon the recommenda-tion of a friend I tried Brown's IRON BITTERS as a tonic and re-IRON EITTERS as a tome and restorative for my daughter, whom
I was thoroughly convinced was
wasting away with Consumption.
Haying lost three daughters by the
terrible disease, under the care of
eminent physicians, I was loth to
hence that anything could arrest
the progress of the disease, but, to
my great surprise, before my daughter had taken one bottle of Brown's ter had taken one bottle of Brown' IRON BITTERS, she began to mend and now is quite restored to former health. A fifth daughter began to show signs of Consumption, and when the physician was consulted he quickly said "Tonics were required;" and when informed that the elder sister was taking Brown's theorem. IRON BITTERS, responded "that is a good tonic, take it."
ADDRAM PHELPS.

BROWN'S IRON BITTERS effectually cures Dyspepsia, Indigestion and Weakness, and renders the greatest relief and benefit to persons suffering from such wasting diseases as Consumption, Kidney Complaints, etc.

HOME BRIEFS.

The bullion assays at the mint in this city for the month of June amounted to \$9,234.75.

Mr. Z. F. Bailes, of Pineville, sent us the third cotton bloom of the season. The blossoms are beginning to appear quite numerously now.

A detachment of the Hornet's Nest Riflemen will go to Winston and take part in the big celebration, at that invitation from the military of that

A postal card from Mr. A. J. Rintels, who has been in business in Statesville, informs us that he has decided to leave that place and take up his home. once more in Charlotte. He will be associated in business here with Capt. J.

Roessler. Mr. C. J. Furr, a young man who lives some distance in the country, fired off his pistol in Burwell & Springs' back lot yesterday, while feeling good from a big drink of the ardent. He paid the city \$10 and costs before being allowed to depart.

The city fire department had its first quarterly parade yesterday evening, with quite a respectable turnout. They paraded several streets and wound up with a big water squirting in Independence square. The parade was very creditable and large crowds were attracted to witness it.

The wedding of Miss Mamie, daughter of Dr. G. W. Blacknall, of Raleigh, to Mr. Geo. H. Clowes, of Waterbury, Connecticut, which occurred at the Atlantic Hotel, Morehead City, on the 27th inst, was a very fashionable and elegant affair. Rev. E. R. Rich and Rt. Rev. T. B. Lyman, bishep of the diocese, performed the ceremony.

The 4th in Concord.

THE OBSERVER has received an invitation from Concord to come over on the glorious 4th and see them celebrate. There will be a grand mardi gras parade through the streets in the morning, and at night, the pyrotecnics, under the direction of Signor Ritz, will be something terrible and sublime. The Signor will put up five balloons, one of immense size, with a large Roman candle battery, pop-crackers, etc., attached. The whole town will be given up to patriotism, and one thing and another.

Charged With Embezzlement.

Jane Davis, a colored woman, who has been secretary of the Hickamite Lodge of Good Samaritans in this city, was yesterday brought before the may of on a charge of having embezzled the funds of the lodge. The indictment was brought against her by members of the lodge and after hearing the evidence in the case, the mayor put the woman under bend for her appearance at the next term of the Inferior Court. The amount of embezzlement charged

Coal Burners for the Air-Line.

The plan of burning coal instead of wood in the engines on the Richmond and Danville railroad, has proved so satisfactory in every way that the Air-Line road is preparing to follow suit, and will convert their passenger engines into coal burners. At the passenger depot in this city an inclined track has been laid, such as run up to the coal shutes along the line of the Richmond and Danville road, and an old car house is being turned into an immense shute. This shute will be the coal distributer for the engines of both the Richmond and Danville and Air-Line roads, at this point, and will be a big affair.

Marriages in June.

The list of marriage licenses issued by the register of deeds during the month just passed, shows a considerable falling off in the usual monthly drawing. Licenses were issued to the following couples in June:

Charlie Kimbro and Harriet Brewer.

M. W. Sutton, Harriet Flow. H. M. Lipe, Nannie E. Hinson. M. C. Quinn, Minnie W. Phifer.

Andy Darby and Caroline Saville. George Phifer, Emily Orr. Dan'l Wriston, Adeline Steele. Wm. Robinson, Agnes Alexander. George Johnston, Amanda Hunter.

Zenas Potts, Annie Witherspoon.

Running Away with a Fire Engine. As the fire department was coming out for parade yesterday evening, the Hornet horses, being left standing for a moment with the engine nearly opposite the court house, struck off on a wild runaway down trade street towards the Air Line depot. The horses did not find it such an easy thing as they supposed it would be, for running away with a 6,000 pound steam engine is quite different from running off with a wagon. The engine pulled by the frantic horses disappeared in a cloud of dust going towards the depot, with a hundred or two hundred firemen and boys trying hard to keep up with it. By the time the horses had reached the railroad they were sufficiently amused and were quite willing to stop. No damage was done to the engine or borses. This is the first time the Hernet

horses have ever run away Real Estate Transfers.

The following deeds were recorded in the c'erk's office at the court house in this city during the month of June: Deed from R. M. Norment and A. W. Haywood to J. G. Baskerville, city lot.

Deed from the North Carolina State Life Insurance Company to J. G. Baskerville, city lot. Deed from J. H. Kane to Hopewell Gold Mining Company, of Baltimore. Deed from Samuel Steward and others, to Jas. Lee Sloan, 21% acres of land.

> Services at the Catholic Church To-Morrow.

The services at St. Peter's Catholic church in this city to-morrow (Sunday) morning, will be of an unusually interesting character, being the celebration of the Pontifical mass of confirmation. Service will begin in the church at 8 o'clock, a. m., when the Rt. Rev. H. P. Northrop, D. D., bishop of North Carolina, officiating as celebrant, will conduct the ordination service of the Rev. P. Daniel Hefti, O. S. B.

Very Rev. Placidus Pilz, O. S. B., Prior of St. Mary's College, will officiate as presbyter assistant. Very Rev. L. P. O'Connell, V. G., and Rev. Alban Rudoff, O. S. B., deacons of honor. Rev. P. Oberlie, deacon of mass, and Rev. Julius Pohl, O. S. B., sub-deacon of mass. Ven. Fr. Patrick, O. S. B., will be master of ceremonies, and Ven. Fr. Cyprian, O. S. B., assistant master of ceremobies. Ven. Fr. Conrad, O. S. B. will preside at the organ and will also chant the ordination and the "propers" of the mass.

Bishop Northrop will preach at 7:30 o'clock in the evening, Sunday, when the sacrament of confirmation will be

It Came Through.

The postoffice men sometimes côme across a letter that stumps them and makes them do a good deal of studying before enough is cleared up to give them some idea who to, or which way the letter goes. Out of many of these stumpers they can make nothing at all, and have to send them to the dead letter office. The extra direction on the envelope below would indicate that the writer of the letter has been a sufferer in this respect and was afraid that it, too, might go the way of the others. It was handed to us as one of the postoffice curiosities.

Commencement at Mt. St. Joseph's Institute-Distribution of Prizes.

Mt.St.Joseph's Institute, crowning one of the many rolling hills of the towering Blue Ridge Mountains, and situated near the growing town of Hickory, had its annual commencement on the 27th of June. A numerous and elegant company crowded into the halls, whilst Rt. Rev. Bishop Northrop, the Patron of this young lady's Academy, V Rev. M. S. Gross, and Rev. F. Oberiey occupied chairs on the elevated plat-

The young lady's filed into the hall amidst the strains of a well rendered march, and their modest, yet elevated hearing, set off i ncostumes most becoming them and their age, bespoke in advance, the elegance of the entertainment to follow. Numerous premiums were awarded, and among them two handsome gold medals, won by Miss Mary Healy, of Charlotte, and Miss Flora Monk. The music and singing did equal honor to teachers and pupils. At the close, Rt. Rev. Bishop Northrop, D. D., delivered a well-timed discourse on education.

The Board of Directors of this firstclass institution are Rt. Rev. Bishop Northrop! D. D., V. Rev. Mark S. Gross, V. Rev. L. O'Connell, V. G. Rev. P. Moore is the presiding director in Hickory, This Boarding School combines all the excellencies of an academy with very moderate charges. Board and tuition are given at \$13.00 per month. The climate is all that could de desired.

The French Lottery.

It is announced that the French Government ha authorized another Lottery, so pressing has been the demant for it on the part of the people. The previous one excited unbounded enthusiasm among all classes, and the wide distribution of the numerous prises were all ranks a taste of the satisfaction to be had in the easily acquired gains of

Yet neither the French nor any other European or American scheme compares in liberality with the new one of the long established Louisiana State Lottery Company set forth at length in another comman of this paper, to be discuss on the 11th of July prox., and monthly thereafter, under the sole direction of Gens, Beauregard and Early. It will be seen that in this scheme \$75,000 is given on a \$5 ticket, constituting it the largest offer

That this company will perform all it promises is now well established in the public mind. The whole scheme will be found interesting reading
