IS THAT SO?

At a convention of the Liberal and Republican parties held at Scotland Neck last Saturday week, Mr. J. C. L. Harris, secretary of the Republican State executive committee, was sent as an ambassador from Raleigh, to impress upon the convention the importance of recognizing the liberal element of the Democratic party.

Well, we'll see about that. We have had a good deal to say about "machine" politics, and we are bitterly opposed to "bourbon" Democracy; and so are thousands of honest Democrats through out the State, but we can and will sink our individual opinions, in the one grand effort to keep the State of North Carolina out of the hands of the Radical party. No, Mr. Harris, we won't be Republicans before the campaign ends.
