STATE NEWS. Greensboro Bugle: S. A. Howard, gallop operator at this place, has taken up an improved copying ink, which requires no press or prepared paper.

Lexington Dispatch: The mining interests are still on the increase. Prof. H. E. Martz reports the sale of the Russell mine to an English company.

Raleigh News and Observer: The rains are doing serious damage to the cotton. Just think of it. Here it is the eighth day of September and only three bales of cotton have been received at Raleigh.

Chills and fever are shaking the people in the country and suburbs of the city. East of Raleigh there is much more sickness than west of it, which is largely attributed to the better quality of the drinking water west of here.

The wroughtiron summer house and speaker's stand purchased by the Ladies Memorial Association for the late Memorial cemetery has been received by L. L. Polk & Co., and the intention is to put it up as soon as possible.

While six boys were out rowing Thursday afternoon at Bangor, Me., their boat was upset and two of them, aged 15 and 12 years respectively, were drowned.

Mrs. Youngblood, aged 83, who was brutally and kicked by her nephew, Frederick DeHass, near Jamaica, L. I., August 10, because she refused to give him money, died on Wednesday night of her injuries.

Three of the Philadelphia guardians of the poor have resigned, owing to the exposure of almshouse management. Mrs. Adams, the housekeeper of the fugitive Superintendent, Phipps, is still under arrest, having been unable to get bail.

Mrs. Elizabeth Guckert, living three miles from Reading, Pa., was bitten in the arm by a dog ten weeks ago. The dog, however, was kept in a kennel, and on going to that city on business she became mad, and her death is momentarily looked for.

The annual meeting of the Pullman Palace Car Company was held at Chicago Thursday. The report showed an increase of revenue over the preceding year of \$2,000. An extra dividend of 1 1/2 per cent. was declared out of the manufacturing profits of the company for the past year.

Early Thursday morning fire broke out in one of the richest and most valuable blocks in the St. Roch suburb of Lyons, France. An extra dividend of 1 1/2 per cent. was declared out of the manufacturing profits of the company for the past year.

The ship carpenters employed at the Carolina Dry Dock Company's yard, in Philadelphia, struck in a body Thursday. On account of the pilfering of chips and pieces of wood, contrary to the express rules of the company, a strike of twelve days was declared.

Lord Spencer Thursday ordered the release of the following suspects: The two Wheelers, at whose house on Braxton street a large seizure of arms was made; and a third, who was suspected of an attempted murder in connection with the same affair; Mecla, who was arrested on the charge of participation in the murder of Bailey, an inmate of the State Prison, and Knoch, who were accused of being implicated in the Seville Place murder.

Mataria, Chills and Fever, and Bilious attacks positively cured by Remedy Standard Cure Pills—an infallible remedy; never fail to cure the most obstinate, long-standing cases, causing no griping or purging; they are mild and efficient, certain in their action and harmless in all cases; they effectually cleanse the system, and give new life and tone to the body.

A Bright Bangor Barber. Wm. M. Martin, an intelligent young colored man a resident of Bangor, Me., came to this city Thursday for the purpose of procuring a license as a barber from the Louisiana State Barbering Company, who are the holders of a fifth of ticket No. 1,000, which entitles the holder to a license for \$75,000 in the lottery of July 11th.

The Cotton Ticket at Oldham—The Chinese Figuring in Corea. LONDON, Sept. 9.—A correspondent writes to the Manchester Guardian that something like the crisis in the cotton trade at Oldham beginning before the week's stoppage for the recent holidays should have been taken up for coffee and almost compulsory unless there is an unexpected change for the better.

A dispatch from Peking dated the 8th inst., which has been communicated to the Times states that the Chinese authorities intervened boldly in the Corea, and seized the father of the King and brought him to China. The King has been reinstated by the Chinese troops and ships.

"A Wonderful Thing is a Seed." Says some good writer, and then he adds: "You can sow to decay; to-morrow will bring the blossom that provokes you of things that are good, and that you sow." All of which is true. And this is the story of the seed that is sown in the hearts of men.

Constitutional skin disease of a scrofulous character are successfully treated with Dr. Benson's Skin Cure. Internal and external treatment, both pleasant. It certainly removes scrofulous eruptions, and it also makes the skin supple and healthy.

Relaxed and exhausted women will sometimes suffer from the same complaint, which could easily be cured without the aid of medicine. There is a remedy to be found that will restore the system to its normal condition, and give tone and energy to the system.
