NOON DISPATCHES.

BY THE ASSOCIATED PRESS.

THE FEVER ON THE RIO GRANDE.

On the Increase at Matamoros and Breaking Out at Other Places.

GALVESTON, Sept. 15.—A News Matamoros special says there were 6 deaths in the last 24 hours by yellow fever. This is a sudden and startling increase. Two are soldiers and the rest are of the poorer classes. There is also a slight increase of cases and the disease is of a more deadly character.

A News Austin special says A C Ingarelli, county judge of Starr county, today informed the Governor by wire of a large number of yellow fever cases at Mier, Mexico, resulting in 4 deaths yesterday. The merchants of Roma, Texas, refuse to quarantine on account of travel and commerce on the river, and showing an outbreak of fever at Reguosa and Hidalgo, Mexico. The Governor has conveyed the information to Dr Swearingen, who at once telegraphed Surgeon General Hammond as follows: Yellow fever has appeared at Reguosa, Camargo and Mier, Mexico, opposite the coast of Hidalgo, and the town of Rio Grande, City and Roma today. Please establish a line of mounted guards connecting with the north end of your lower cordon and extending twenty miles above Roma. Roma is in danger of being the interior.

If you cannot grant entire application give us guards to the front of Reguosa, Camargo and Mier. We have no money to meet their heavy demands and trust again to ask for aid. Signed B W Swearingen, State Health Officer.

Seizing for the State Deposits.

RICHMOND, Va., Sept. 15.—State Attorney General Braxton has given notice that he will bring a suit on the bond of \$50,000 executed for security of State deposits in the suspended bank, which amounts to about \$30,000. Suit will be brought on the relation of the State Treasurer Beverly against the obligors on the bond.

Arabi Surrenders Unconditionally.

LONDON, Sept. 15.—The war office has received the following dispatch from General Wolsey: Arabi has surrendered unconditionally. Arabi Pasha and Touha Pasha have surrendered unconditionally. Ten thousand troops at Cairo have laid down their arms.

A Through Trunk Line.

CHICAGO, Sept. 15.—It is learned from official sources that the Louisville and Nashville Railroad company will develop in October a plan for securing an entrance into Chicago via Eastern Illinois road, giving them a through trunk line between Chicago and New Orleans.

The Thames Crew Wins.

LONDON, Sept. 15.—A race between the Hillite crew and the Thames Rowing Club crew was rowed on the Thames this afternoon and was won by the Thames crew.

Granted a New Trial.

WASHINGTON, 15.—Judge Wylie today set aside the verdict in the Star route case against Miner and Redell and granted them a new trial.

Congressman Moore Re-Nominated.

MEMPHIS, Tenn., Sept. 15.—The republicans of the Tenth district here re-nominated W. R. Moore for Congress.

Evangelists in Red and Yellow Piping.

Nine men and five women took their stand on the steps of the City Hall, New York, Tuesday afternoon. Some of the men wore helmets and red piping on their clothes; others wore yellow piping; and one decked out in black military braid. The first were captains, the second lieutenants, and the third a staff officer in the Salvation Army.

Prize Beauties.

The prize offered to the most beautiful woman at the people's festival in Buda Pesth, Hungary, created a national sensation and attracted thousands of spectators to witness the competition. Over 150 women presented themselves before the bench of judges. They were judged one by one, and the most beautiful was selected as the prize beauty.

Where the Cheat Comes In.

Squatters on the immense Bingham estate in Potter county, Pa., signed an agreement last year to move out their shacks by the first of the next year. This season, when the agent went to take possession of the land, he found the squatters had complied with the letter of the agreement by erecting shacks on the land. He had moved on to B. F. B. Co., and on to A. S. The agent, who is a Scotchman, has not yet found out exactly where the cheat comes in, although he is sure there is a cheat somewhere.

STATE NEWS.

Salisbury Watchman: The Reimer mine is sinking a new shaft in order to keep the concentration works supplied with ore.

It is reported that the Dutch Creek mill erect shortly a ten stamp mill and concentrator.

Mr. Hambley, the gentlemanly book-keeper of the Gold Hill mine was in town this week and informs us that they are arranging to pump out the 750 foot shaft, as it is reported that an abundance of ore is now standing on the 400 foot level.

Montgomery Star: Hon. Benj. Wilson, of West Virginia, spent several days in our town last week looking after some mining property. Mr. Wilson has been in the States Congress for the last ten years.

Salisbury Examiner: A grand mass meeting of the Liberal Anti-Proslavery party of Rowan county, will be held in the court house in Salisbury on Saturday, Sept. 30th.

We understand that Messrs. Weeder and Snow, of High Point, have bought two and a half acres of land at Blowing Rock, Watauga county, and will proceed at once to erect there a fine hotel, for the accommodation of mountain travelers.

Raleigh News and Observer: There were Wednesday at the Centennial graded school 500 pupils. The average age of the pupils has been found upon an accurate calculation to be 16-15 years.

Up to this time seventy specimens of our North Carolina building stones have been sent from the Geological Survey to the National Museum at Washington.

Several bales of new cotton came in Wednesday, but the quality was not good owing to the unfavorable weather. It is said that cotton will be of a quality this year, however, as the bolls are large.

Applications by many graded schools for aid from the Peabody fund are being reviewed by the superintendent of public instruction. The new Normal school at Wilson has begun with 60 more pupils than last year, the number being now nearly 400.

Mr. Hambley, the gentlemanly book-keeper of the Gold Hill mine was in town this week and informs us that they are arranging to pump out the 750 foot shaft, as it is reported that an abundance of ore is now standing on the 400 foot level.
