Diphtheria.

A cold or sore throat may seem to amount to much, and it frequently is so.

PAIN KILLER has been my household remedy for colds for the past twenty years.

For thirty years I have used PAIN KILLER and never received immediate relief from colds and sore throats and consider your PAIN KILLER as the best medicine ever used.

STONED TO DEATH.

How Winemucca's Young Squaw Fell a Victim to Savage Superstition.

The evening before old Winemucca died about one hundred Indians took his young squaw to a large spring, where she had been ordered to bathe.

Then, at a signal, the stones were hurled at her, and she fell head first into the water.

Thus they continued the murderous pastime until the poor, pitiful object lay prone upon the ground, a bleeding, senseless mass of mangled flesh.

SLEEPING WITH SERPENTS.

A Midnight Experience of a Snake-Hunting Professor in Florida.

Professor Bell, the Smithsonian Institute agent, and collector of snakes, arrived in Florida last week.

At last a big coach whip snake found an opening near the edge of the blankets and slowly glided in.

A New Water Tower.

C. S. Petrie and John Ashworth, members of the Chicago fire department, have invented a new water tower.

It is raised to an upright position by means of a screw operated by men standing on the ground at the rear end of the truck.

Who is Cheated.

Alfred Jenkins, living near Stokesburg in Stokes county, N. C., has sold his farm to a man by the name of Noah M. Gilwell.

"COCKROACH TEA."

A Medical Preparation for Kidney Disease.

A Philadelphia medical journal has received a communication from a Louisiana physician stating that there is any virtue in a medicine made from fat female cockroaches, brandy and sugar.

The professor of Materia Medica in Jefferson College said last night that he presumed that cockroaches were not entirely unknown to the medical practice in Philadelphia.

NEW ENTERPRISE.

Buildings to be Erected Near Wilmington for the Manufacture of Fibres, Cotton Seed Oil and Fertilizers.

We have known for some weeks, but refrained by request from mentioning the fact that the Messrs. Lattimer of Wilmington, and several other capitalists, propose to erect extensive works at Livingston Creek, about twenty miles from Wilmington, on the C. C. Railroad.

Thrift of French Women.

French women, often stigmatized as the most frivolous of their kind, are in reality the most thrifty—a virtue that frequently degenerates into absolute parsimony.
