THIS Famous remedy most happily meets the demand of the age for woman's peculiar and multiform afflictions. It is a remedy for WOMAN ONLY, and for ONE SPECIAL CLASS of her diseases. It is a specific for certain diseased conditions of the womb, and proposes to so control the Menstrual Function as to regulate all the derangements and irregularities of Woman's

MONTHLY SICKNESS.

Its proprietor claims for it no other medical property; and to doubt the fact that this medicine does positively possess such controlling and regulating powers is simply to discredit the voluntary testimony of thousands of living witnesses who

are to-day exulting in their restoration to sound

Bradfield's Female Regulator

is strictly a vegetable compound, and is the product of medical science and practical experience directed towards the benefit of

SUFFERING WOMAN!

It is the studied prescription of a learned physician physician whose specialty was WOMAN, and whose fame became enviable and boundless because of his wonderful success in the treatment and cure of female complaints. THE REGULATOR is the GRANDEST REMEDY known, and righly the organization was the complaints.

WOMAN'S BEST FRIEND,

Because it controls a class of functions the various

derangements of which cause more in health than all other causes combined, and thus rescues her from a long train of affiliations which sorely embitter her life, and prematurely end her existence.

Oh, what a multitude of living witnesses can testify to its charming affects!

Precious Boon of Health! It will relieve you of nearly all the complaints pe-culiar to your sex! Rely upon it as your safeguard for health, happiness and long life.

Remember that stamina, vital energy, the life

principle or whatever you may choose to call the resistant power which hattles against the causes of diseases and death, is the grand safeguard of health. It is the garrison of the human fortress, and when it waxes weak, the true policy is to throw in reinforcements. In other words, when

of all diseases arise from deranged kidneys and

It cleanses the lungs of all impurities, strengthens them when enfeebled by disease, invigorates the circulation of the blood, and braces the nervous system. Slight colds often end in consumption. It is dangerous to neglect them. Apply the remedy promptly. A test of twenty years warrants the assertion that no remedy has ever been found that is as prompt in its effects as IUIT'S EXPECTORANT.
