Pieze take especial notice; Farker's Ginger Tonic is not a mere essence or ginger; n it a mere stemachic. The ordinary preparations of ginger are beneficial for transient sches, but at that point their value ends. Parker's Ginger Tenic covers a far wider and totally different field. It attacks and dissipates radical and chronic diseases of the Lungs, Kidneys, Liver and Nerves. It is as de-licious to the palate as it is prompt and effective in operation. Ginger is only one among masy powerful curatives which the. Tonic holds in com-bination. Test is virtue for that cough of yours. er for any of the fils which require an invigorant for the whole system.
