From a Clergyman's Home Comes a Message Containing the Wisdom of Experience.

Home is the center of the social system. From it proceed the best and purest influences in the world, and it is there that the tenderest hopes of humanity are nurtured. For it is good men labor while their working days last, and around it their last long rest is lovingly laid in the days of old.

Yet homes do not usually appear in the picture of our ideal life. The mother is the heart of the household duties and the father is the head of the family. The mother is the heart of the household duties and the father is the head of the family. The mother is the heart of the household duties and the father is the head of the family.

Men must work and women must weep. It is a much woe that I weep with all the world. Men's anxiety and lack of rest and pleasure in their lives is a great evil. Women's anxiety and lack of rest and pleasure in their lives is a great evil.

The Changes that Have Been Made in the Internal Revenue.

WASHINGTON, March 5.—The sections of the tariff bill relating to internal revenue are given in full below. The reductions of special interest are those of tobacco. The conference committee changed the law as it passed the Senate in only three particulars, the most important being the change of date when the reduction of the tobacco tax goes into effect from July 1, 1883, to May 1.

Section 1. That the taxes herein specified, imposed by the laws now in force, be, and the same are hereby, repealed, as hereinafter provided, namely: One cent on the deposits of banks and bankers and national banking associations, except such taxes as are now due and payable, and on and after the 1st day of July, 1883, the stamp tax on bank checks, drafts, orders and vouchers, and the tax on matches, perfumery, medicinal preparations, and other articles imposed by schedule A, following section 3437 of the Revised Statutes, but the tax on matches shall be allowed upon articles embraced in said schedule that shall be exported on and after the 1st day of July, 1883; and, further, that the tax on matches May 31, 1883, matches may be removed by manufacturers thereof from the place of manufacture to warehouses within the United States without attaching thereon the stamps required by law, under such regulations as may be prescribed by the commissioner of internal revenue.

Section 2. That on and after the 1st day of May, 1883, dealers in leaf tobacco shall annually pay \$12; dealers in manufactured tobacco shall pay \$240; all manufacturers of tobacco shall pay \$6; manufacturers of cigars shall pay \$6; peddlers of tobacco, cigars and pipes, shall pay special taxes, as follows: Peddlers of the first class, as now defined by law, shall pay \$30; peddlers of the second class shall pay \$15; peddlers of the third class shall pay \$7.50; peddlers of the fourth class shall pay \$3.60. Retail dealers in leaf tobacco shall pay \$2.50, and 30 cents for each dollar on the amount of their monthly sales in excess of the rate of \$300 per annum; provided that farmers and producers of tobacco may sell at the place of production tobacco of their own growth and raising at retail, directly to consumers, for an amount not exceeding \$100 annually.

Section 3. That hereafter the special tax of a dealer in manufactured tobacco shall not be required from any farmer, planter or lumberman who furnishes such tobacco on ration or for any of his laborers or employees, in the same manner as other supplies are furnished by him to them; provided, that the aggregate of the supplies of tobacco so by him furnished to his laborers or employees in any one special tax year, that is, from the first day of May in any year until the 30th day of April in the next year, and provided further, that such farmer or planter, lumberman, shall not be, at the time he is furnishing such supplies, engaged in the general business of selling dry goods, groceries, or other similar supplies, in the manner of a merchant or storekeeper, to others than his own employees or laborers.

Section 4.—That on and after May 1, 1883, the internal taxes on snuff, smoking and manufactured tobacco shall be 30 cents per pound, and on cigars which shall be manufactured and sold or removed for consumption, or sent to any other State or Territory, shall be 30 cents per pound, and on cigars which shall be assessed and collected the following taxes, to be paid by the manufacturer thereof: On cigars of all descriptions, manufactured or any substitute therefor, \$3 per 1,000; on cigars weighing not more than three pounds per 1,000, 50 cents per 1,000; on cigars weighing more than three pounds per 1,000, \$3 per 1,000.
