Raleigh News & Observer: A revival is in progress at Edenton street Methodist church, At 71% o'clock last night Rev. W. Gwaltney joined in holy wedlock Mr. J. W. Denmark to Miss Juanita Polk, the

NOT DEAD NOR SLEEPING. A Live Woman Advertised by Her Husband as Dead.

Richmond Dispatch. In the Portsmouth Enterprise of yesterday it was stated that a Mrs. Malissia Brite, the wife of John T. Brite, has been published in the Richmond Christian Advacate as having died in Portsmouth, Va., on the 8th of December. It was also stated that Mrs. Brite was not dead (nor yet sleeping), but that she was alive and well and a resident yet of Portsmouth. Inquiry at the Advocate office elicited the fact that about the 13. of Februaryla death notice was received there through the mails, and being accompanied with the payment necessary, was duly inserted in the issue of the Advocate, of date February 13th as fol-

"Mrs. Malissia Brite wife of Mr. John T. Brite, and daughter | f Margaret and Solomon Skidmore, was born in the city of Portsmouth, Va., July 8th 1855, and died in l'ortsmouth, Va., December 8, 1882. "A FRIEND. "Edenton, N. C., papers please copy.

There is a mystery connected with his matter, for Mrs. Brite is living in Portsmouth, in excellent health, and it is supposed that the notice was put in by her husband, John T. Brite, who deserted her a little more than two years ago and left her with two young children, since which time she has not seen him. It is supposed that he is now in |Richmond, and it is reported in Portsmouth that he was married last August to a young lady in Richmond, and that the death notice was published in the Christian Advocate to create the impression on the mind of the young lady that his former wife was dead.

But the fact that he is reported to have been married in August last, and the death notice not appearing until February of the next year, would seem to preclude the idea that the notice was published in order to consummate the second marriage. However all this may be, it is certain that the death notice is incorrect, and it is equally true that if John T. Brite married a Richmond girl no record of the transaction appears. This, however, is no proof that a marriage did not take place, and it may be a matter for the police to look into after all.

Twenty-Four Hours to Live. From John Kuhu, Latyette, Ind., who announces that h is now in "perfect health," we have the following: "One year ago I wast all appearance, in the last stages of consumption Our best physicions gave my case up I finally got so low that our doctor said I could not live tw.ntj-four hours. Having passed several sleepless nights, disturb ed by the agonies and cries of a suffering child, and becoming convinced that Mrs. Winslow's Soothing Syrup was just the article needed, precured a supply for the child. On reaching home and acquainting his wife with what he had done, she refused to have it administered to the child, as she was strongly in favor of Homeopathy. That night the child pared in suffering, and the parents without sleep. Be unning home the day following, the father found the baby still worse; and while contemplating another sleepless night, the mother stepped from the room to attend to some domestic dutles, and left the father with the child. During her absence he administered a portion of the Soothing Syrup to the baby, and said a Down Town Merchant, child. During her absence he administered a portion of the Soothing Syrup to the baby, and said
nothing. That night all hands slept well, and the
little fellow awoke in the morning bright and happy. The mother was delighted with the sudden
and wonderful change, and although at first offended at the deception practiced upon her, has continued to use the Syrup, and suffering crying babies
and restless nights have disappeared. A single
trial of the Syrup never yet failed to relieve the
baby, and overcome the prejudices of the mother.

"The surgeons pronounced my case Diphtheria, and decided that no remedies could reach it. Perry Davis's Pain Killer saved my life." When I say cure I do not mean merely to stop them loss time and then have them return again. I mean a radical cure. I have made the disease of FITS, EPILEPSY or FALLING SICKNESS a life-long study. I warrant my remedy to cure the worst cases. Because others have falled is no reason for not now receiving a cure. Send at once for a treatise and a Free Bottle of my infallible winedy.
