#### SOME PEOPLE.

SOME PEOPLE are complaining nearly all the time, without having very much cause for complaint. They have fallen into the habit of it, and would not be happy unless they thought they had something to complain about.

SOME PEOPLE can endure a great deal of pain without making much noise about it. When they suffer severe wounds or terrible surgical operations, they simply set their teeth and resolutely determine not to utter a cry or a groan. These are the heroes.

SOME PEOPLE are all the time suffering from inward troubles which the outside world know nothing about. The cause of their suffering is hidden, but the pain is there, deep, bitter, and constant. Dyspepsia has its martyrs, many of them brave, patient, and enduring.

SOME PEOPLE, if they did but know it, are putting themselves to a great deal of needless trouble and worriment in harboring pains which they might as well be rid of as not. Why don't these people try Brown's Iron Bitters? This is an iron medicine, compounded with the highest degree of skill. It drives dyspepsia out, and gets rid of dyspeptic pains. It scatters rheumatism and relieves rheumatic sufferers. It regulates torpid livers, and relieves people from liver complaint. It tones up the nerves and banishes neuralgia. It enriches the blood, and gives it a good red color, strengthening the system and giving health instead of disease, and pleasure instead of pain. Ask your druggist for a bottle of Brown's Iron Bitters. 7
