CATHARTIC, ALTERATIVE. A specific for dis orders of the Stomach, Liver and Kidneys, Eczema, Malaria and all impurities of the BLOOD.

So enviable a name has this famous Mineral Water, that the managers of inferior mineral springs, desirous of imitating the natural purity of the bottled water of Congress Spring, inject a powerful acid in their bottled water to preserve the crude ingredients in solution,—being so heavily inden with

Lime and Iron Deposit.

With such contrivances, bogus testimonials and ioctored analysis cards they seek to rival the pure medicinal waters of Congress Spring.

The regular season visitors to Saratoga fully understand these crude, harsh waters, many of them after painful experiences. In proof of this fact we can produce a great many responsible names. But the Saratoga visitors without experience, and many who use the bottled waters (often labeled as curatives for disorders which they positively aggravate), should remember, that crude, harsh mineral waters produce headache, a sense of burning and internal irration, and do irreparable injury to the digestive organs and kidneys.

THINK OF IT NOW Although much is said about the impor-tance of a blood-purifying medicine, it may be possible that the subject has never seriously claimed your attention. Think of it now! Almost every person has some form of scrof-nlous poison latent in his veins. When this develops in Scrofulous Sores, Ulcers, or Eruptions, or in the form of Rheumatism, or Organic Diseases, the suffering that en-sues is terrible. The druggist recommended Swift's Specific, and the resulf was as gratifying as it was miraculous. My child soon got well, all traces of the disease is gone, and he is as fat as a pig. J. J. I have suffered for many years from wicers on my legs, often very large and painful, during which time I used almost everything to effect a cure, but In vain. I took Swift's Specific by advice of a friend, and in a short time was cured sound and well.

Last summer I was so bad off that I could not wear clothing. I had spent hundrids of dollars in the effort to be cured, but all to no purpose, and had injured myself with mercury and potash. Your Swift's Specific cured me promptly and permanently, and I hope every like sufferer will take it.

It has been in use in Mrs. Person's family for many years, but has only been introduced to the public within the last five years, since which time its cures have bordered on the miraculous, and its sales have increased beyond the most sanguine expectations of its owners.

Value of the Remedy. An Interesting Comedy IN FIVE CHAPTERS.

CHAPTER I. Marion, N. C., May 20th, 1880. MRS. PERSON—Please let me know the price of your medicines and how to remit, as I wish to order some for a case of Scrofula. Yours &c.,
J. H. GILKEY, M. D. CHAPTER II. After ordering a lot to try, he simply reported:
"The case is improving." On his second order then
came the following:

MARION, N. C., January 27th, 1881.

Mrs. Joe Person:

Madam—Enclosed please find postoffice order for \$4.25. for which rou will send two bottles of your bitters, as the scrofulous ulcors have about he ded up and do not now require the wash. I am glad to inform you that the Remedy is relieving the case.
Yours truly,

Yours truly, J. H. GILKEY. Yours truly, CHAPTER IV. Marion, N. C., October 20th, 1882. MARION. N. C., October 20th, 1882

MRS. JOE PERSON. Franklinton:

Madam—Irr Gilkey, of this place informed me
to day that y u were here some time ago and told
him you caild cure scrayula and he advised me to write to you for some of your circulars. I have a sore on my leg and hip. It will cure up and break out just below where it cures up. I have been treated by several physicians. Some say it is Scrofula, others say it is Lupus and Salt Rheum. It is just skin deep; it never gets deep; is very painful; don't rest at night. I want you to send me your circular and prices of your medicine, and if I think, after reading them, that it will do me any good, I will order some of the medicine at once. I have had the sores for 18 months, and have paid out a great deal of money, to parties that have done me no good.

ping to year from you soon, I remain, Respectfully, S. C. DALE. The following, cut from the Marion Lamp Post, makes a fit ending of the comedy, and speaks for Mr. S. C. Dale, of this place, who for years had been suffering from aggravated Scrofula, has in three months use of this medicine entirely recovered.

of money to parties that have done me no good

His case was almost hopeless, being scarcely able to get about on crutches. He is now in active business. Six bottles effected a cure. ANOTHER COMEDY. CHAPTER I.

TRIANGLE, N. C., March 20th, 1882.

MRS. JOE PERSON, Franklinton, N. C.:

Scrofula was handed us by a highly respectable physician a few days ago, who said it had been recommended to him by such medical authority that he desired to give it a trial in his practice, and desired us to keep it in strek.

TRIANGLE, N. C., September 30, 1882.

Mrs. Joe Person:

Dear Madam—Please send three dozen more of your valuable Remedy, as the lot you shipped us last is all sold except one bottle. We have sold four and a half dozen of your Remedy since April, and all save one bottle has been on physician's prescription. With best wishes for your success, we are, Yours truly, KINCAID & LINEBARGER. A month or so later Messrs. Kincaid & Linebarger ordered six dozen more, and on the 21st of June, 1883, wrote the following significant letter:
Your card of the 18th inst. received to-day. Our "stlence" means that we still have "Remedy" in stock. Don't grow impatient; remember what a quantity we bought at the last "haul." Then there is one unfortunate circumstance connected with the sale of your "Remedy" which we cannot obviate: "hear patient his taken it till he is cured he immediatel stops buying it! Then, as sales have to await the development of new cases, we are "silent," and you seem to be puzzled over that "silence." Is not silence a virtue when we have nothing to say? You'll hear from us when our stock, like the "judiciary" of North Carolina on one occasion, is "exhausted." Yours truly,
T. J. LINEBARGER.
TRIANGLE, N. C., June 21st, 1883. CHAPTER III.

TRIANGLE, N. C., June 21st, 1888.

Raleigh Doctors Failed. My wife had been afflicted with Scrofula for a number of years—she had three fearful looking sores on her neck, and some on her body She was treated by the best Doctors Raleigh could afford—they attended and prescribed for her two or hree years, but failed to do her any good. I met with Mrs. Person, she told me she knew she could cure my wife. I bought her medicine, used it three months and she is per ectly cured. The sores are all healed and her general health is excellent. I am satisfied her medicine will do what the Doctors are not able to do, and that it is a perfect antidote for Scrofulous to do, and that it is a perfect antidote November 15th, 1882.
