My Crutches Thrown Away.

The following was taken from the Marion (N. C.)
Post of March 19th, 1884, and was inserted by Mr.
Finley, and was not an advertisement:

For the past eight years I had been not only a
great sufferer, but entirely disabled, getting about
on crutches with difficulty. A little over a year ago
I began the use of Mrs. Joe Person's Celebrated
Scrofula Remedy. Have used 25 bottles, and now
I can walk without crutches with ease and feel that
I am on the road to renewed health. My case was
a bad one, and had resisted the best medical treat-
ment so long that I had little hope of recovery. I
therefore take pleasure in giving my testimony to
the value of Mrs. Joe Person's great Scrofula Rem-
edy.

Signed,
A. L. FINLEY.

Another Voice from Marion

MARION, N. C., October 20th, 1882.

Mrs. Joe Person, Frankfort:

Marion, N. C., Oct. 20, 1882. I enclose, informed me
that you were here some time ago and told
me you could cure Scrofula, and he advised me
to write to you for some of your circulars. I have
written you and he has written me. It will cure up and break
out just below where it cures up. I have been treated
by several physicians. Some say it is Scrofula,
others say it is Lupus and Salt Rheum. It is just
what I need; it never gets deep; is very painful; don't
hurt at night. I want you to send me your circular
and give of your medicine, and if I think, after
reading them, that it will do me any good, I will
order some of the medicine at once. I have had the
disease for 15 months, and have paid out a great deal
of money to parties that have done me no good.
Hoping to hear from you soon, I remain,
Respectfully,
E. C. DALE.

The following, cut from the Marion Lamp Post,
local paper:

Mr. S. C. Dale, of this place, who for years had
been suffering from aggravated Scrofula, has in
three months use of this medicine entirely recovered.
His case was almost hopeless, being scarcely able
to get about on crutches. He is now in active busi-
ness, six bottles effected a cure.

FROM WASHINGTON.

An Effort by Some Democrats to Re-

consider Action on the Tariff Ques-

tion.

A printed circular which is signed

"Many Democrats," and which is un-

derstood to have been prepared by

Democratic Representatives who are

dissatisfied with the action of the re-

cent caucus on the tariff bill, was

sent by mail to-day to every Demo-

cratic member of the House.

The circular, which calls itself "An

Address to the Members of the House

of Representatives," begins by recit-

ing the proceedings of the caucus, and

is in substance, an argument in

favor of reconsideration of the ac-

tion. It threatens that the minority,

who voted against the caucus resolu-

tion, will defend the passage of any

tariff bill that is passed unless it be

such a bill as will commend itself to

their approval and the approval of

their constituents.

It summarizes the present duty of

the Democratic party as follows:

"The first great duty of the Demo-

cratic party is to arm itself for the

coming battle that it may, by the

people's approval, present and pre-

vent the passage of any tariff bill

control of this House, and acquire

that authority in the Senate and pos-

session of the executive chair, with-

out which the party will continue

powerless and subservient in the gov-

ernment." The second great duty of

the Democratic party will be to use

its power thus acquired in reforming

the government—reforming the taxa-

tion methods, reforming the adminis-

tration, reforming all irregularities,

and suppressing all abuses.

"We are all eager to arrive at the

same destination—power and reform.

In this House we are now at the cross-

roads. Shall we divide and fail, or

unite and succeed? We are a unite

in final purpose. Shall we lose by

contention over means? There can

be but one answer to these inquiries

—unity of action, and unity of pur-

pose. We must stand together, and

which we all stand, to cast aside sel-

fishness and perversity, and in a

brotherly spirit, and in full conscious-

ness of our great responsibility, seek

the most consistent and honorable ex-

traction from our difficulty."

"The address thus reviews at consid-
