

THE MULLEN PLANT. Dr. Quillan, a celebrated physician of Dublin, has just written, in an English medical journal, of his wonderful experimental results with the common mullen plant upon lung and bronchial affections, citing cases where he had given it to consumptives with the most astonishing result, and recommending its use by the profession. Referring to the above, we would state that Taylor's Chamberlain's Remedy of Sweet Gum and Marsh-Mallows made from the formula of the medicine men of the Cherokee Nation, is composed not only of the mullen plant, but has incorporated with it the sweet gum, the finest stimulating expectorant known, presenting an agreeable taste and a certain panacea for coughs, croup, whooping-cough, colds and all bronchial affections. THE CITY FATHERS. Have a Brief Session—Johnnie Rooke Elected Sanitary Policeman—The Street Railway Company Set to Work on Various Other Matters Attended To.

At the regular monthly meeting of the board of aldermen, held at the city hall yesterday, all the members were present except the mayor and alderman Wilkes. After the reading and approval of the minutes of the last meeting, the board proceeded to business. Dr. J. H. McAden and Dr. T. C. Smith appeared in behalf of the enforcement of the ordinance in relation to the storage of oil in the city, and after hearing them the board decided to withhold the enforcement of the ordinance until after their next regular meeting. On motion of alderman Wilder a committee was appointed to examine every repository, or proposed repository for oil in the city, and report at next regular meeting, with suggestions, if any are deemed necessary. The election of a sanitary policeman being in order, the following candidates were put in nomination: J. B. Rooke, Jos. McClure, C. H. Jettison and Dr. Rooke. Rooke received 5 votes on the first ballot and was declared elected, his term to commence now and end November 1st. After some debate his salary was fixed at \$40 per month. The street railway matter came up before the board and a contract between the city and the company was drawn up, and the board passed a series of ordinances for the protection of the company's interests. The board granted the company all it asked and there's nothing for the company to do but to go ahead and give us the street cars. It has always been said that the company has plenty of backbone and now they have their chance to show it. The Charlotte Bicycle Club presented a petition to be permitted to lay a track on the graded school grounds, to be used as a race course on May 20th. The petition was referred to the mayor. This matter is also under advisement by the school board. Petitions for opening streets were referred to Tryon and B streets, and Boundary between Fourth and Trade street, was referred to the street committee. The mayor was empowered to buy two horses for the street sprinklers, said horses to be also used in drawing engines in cases of fire, etc. A motion to abolish the police commission, but the heavy invoice of April tears somewhat interfered with their Easter Monday festivities. A colored man named Shavers, proprietor of an eating house on Church street, was sent to the city prison yesterday for drunk and disorderly conduct in Esquire Davidson's office. Mr. Frank Little requests us to book him for a temperance lecture in the court-house to-morrow. He will speak at 2 o'clock p. m., and wants the ladies and everybody to come out and hear him. Gray J. Toole and Tom Moore, two well known tonsorial artists, were arraigned before the mayor yesterday morning on charges of shaving customers on Sunday. They were fined \$8.40 each. Tom's patrons paid his fine and Gray settled his own bill. In our State news column, a day or so ago, we copied an item from the Salisbury Watchman to the effect that the Greensboro Patriot had been sold to a Washington City man, Mr. J. B. Hussey, the editor of the Patriot, asks us to say that the Watchman's statement is without foundation. Mr. Chas. H. Wells, of Greenville, S. C., who is connected with the Lumber World, writes us that he is soon going to print in that paper a list of all the tracts of timber and now for sale in North and South Carolina, and parties having lands to sell would better communicate with him at Greenville before May 1st. This advertising will be gratuitous, but parties desiring a reply must enclose postage. Easter Services. Appropriate Easter sermons were preached in the city churches last Sunday, the attendance at each church being large. The interior of St. Peter's Episcopal church was beautifully decorated, and the Catholic church was likewise adorned with evergreens and other appropriate decorations. The children's service, at the Episcopal church, in the afternoon, drew such a crowd that many were standing in the doorway. The exercises were conducted with the usual order and singing by the youthful choir was of a high order of excellence and was greatly enjoyed by the large congregation. Father Ryan Coming—Posters. Rev. Father J. Ryan, the South's poet priest, will be with us on the 20th, and will read an ode on the unveiling of the firemen's monument. Truly are we favored in securing his presence, for hundreds of people will come, if for no other purpose than that of seeing and hearing him, whose tuneful verses have made his name loved and revered throughout the Southland. Two thousand large and attractive printed posters have arrived and are ready for distribution. Merchants and others who may wish to get supplies to send out, can procure them by calling on Mr. Richard Tiddy. Decisions By The Supreme Court. The Supreme Court at Raleigh yesterday rendered decisions in the following cases argued from this district: Reason against the King's Mountain Mining Company, *certiorari de novo*, or in other words, a new trial is granted. Commercial National Bank against Simpson, judgment affirmed. No decision has as yet been rendered in the Shields' murder case and will not be until next Monday, if it is rendered then. It is possible that other business from this district occupying the attention of the Justices have not yet yet picked up the Shields' case for consideration, and this delay is without significance. An Afternoon in Elmwood. Elmwood was thronged with visitors Sunday afternoon, all of whom were struck with the beautiful appearance of the cemetery. The two fountains heretofore mentioned have been put in position and will be playing to-day. The larger of the two is located in the centre of the lower lawn, and the smaller one is located in the centre of the flower garden. They are handsome bronze fountains, one mounted by the life size figure of a boy, and the other by a boy and a swan, and both throw large streams. They are good and will make it a more pleasant and popular resort during the summer months than it has heretofore been. The grasses and flowers are springing up in the richness of early spring, the grounds and walks are in excellent condition, and take it as a whole, Elmwood was never half so attractive as it is at present.

MOUNTAIN MURDERS. Judge Shipp Begins a Great Court Week at Bakersville—Ray and Anderson—A Boy Murder Through Jealousy and a Murder Over Money. The biggest court ever held in North Carolina, commenced yesterday at Bakersville, Mitchell county. Judge Shipp presiding. Four murder cases are to be tried there this week. Ray and Anderson, the revenue men who killed three respectable citizens of Mitchell, last February, over the possession of a nice mine, were to have been brought to Bakersville yesterday from Hendersonville and put on trial, but Judge Lynch stalked between the two places and an attempt to remove the prisoners, it was decided, would be dangerous without a military guard. The mountaineers are thirsty for the blood of these two men, and a body of soldiers have to stand between them and the populace. If the two murderers ever reach the Bakersville court house, it is thought that the bayonet will gleam in the Temple of Justice and the militia will escort the prisoners to and from the jail. The next case of interest is that of Jim Green, a white boy 17 years of age, charged with the murder of his cousin, Joe Green, who is about 16 years old. Jim was drunk and under the sting of the green eyed monster, he drew a pistol and shot Joe dead. The tragedy occurred last Sunday one week ago, as the boy was walking along the road on the way home from church. On the Sunday previous, Jim was walking home with his girl, when Joe came up, took the girl's arm and walked off with her. This incensed Jim, but he swallowed his wrath. On the next Sunday, Jim was walking home with the girl, when Joe again appeared. Jim had been drinking and was under the influence of whiskey as Joe came up, a few words passed, when Jim finally pulled out his pistol and fired. Joe fell to the ground dead. He was shot in the neck, the bullet striking and shattering the spinal column. Jim was arrested and put in jail. The next case is that of a barkeeper who killed a man in a dispute over money, but whose names our informant could not learn. It seems that a week or two ago, a man went into a barroom in Mitchell county and handed the bar keeper a \$20 bill with the request to have it changed. The bar keeper cast the bill into the drawer and gave out change for \$2, averring that it was only a \$2 bill handed him. The man insisted that it was \$20 and a fight quickly ensued, in which the man was stabbed to death. These facts were given us by a Charlotte man who has just returned from a two weeks visit to Mitchell, and who states further that the excitement attendant upon an aggregation of crime, has well nigh demoralized the sturdy mountaineers. From all indications, a stirring week is ahead for Judge Shipp.
