THEY LIVE BY THEIR WITS.

Samuel J. Tilden in his last letter hit the nail square on the head when he said the Republican party is in a great measure composed of men who 'live by their wits.' He never uttered a truer remark in his life. He was speaking of the men, of course, who run the Republican party, not the masses who are controlled by these men.

THE POOL DEFALCATION.

The Money Paid Back and the Schools Didn't Lose a Cent. It is charged by some of the Radical speakers on the stump that by the defalcation of Col. Pool when School Superintendent the public schools of this State were robbed of a considerable sum of money which belonged to the school fund.

A TERRIFIC CYCLONE.

ROME, October 9.—Harrowing details of the cyclone which prevailed at Catania on the Island of Sicily yesterday have been received here. Twenty seven persons were killed and one hundred were injured. There is great distress among the poor. Hundreds of houses were demolished in the Borgo Fondo and Goeni quarters at Cibali and Ognina suburbs of the city.

RECEIVED HIS DEATH SENTENCE.

VIENNA, Oct. 9.—Herr Vulterei, commissioner of police at Kuttenberg, in Bohemia, has received a letter from the Nihilists containing his sentence to death for arresting two members of that party.

TIRED OUT.

The distressing feeling of exhaustion without effort, which makes life a burden to so many people, is due to the fact that the blood is poor, and the vitality consequently feeble. If you are suffering from such feelings, Ayer's Sarsaparilla is just what you need, and will do you incalculable good.
