I learned that the expedition arrived too late. The heroic Gordon and his companions had fallen. An endeavor which was ineffectual was made to reach Khartoum, by constructing a railway from Suakim to Berber. My troops were ultimately withdrawn from the whole of Eastern Soud in except Suakim, and from westernSoudan down to Alashyert. Although the ob-Express Company to receive such jects of the expedition were unattainbaggage on arrival at New York and able, I have great reason to be proud of the bravery and endurance displayed by my soldiers and sailors, and of the skill wherewith they have been com-

THE EGYPT COTTON CROP.

CAIRO.-The Egyptian cotton crop

In the fall of 1883 I had a valuable horse taken with the pinkeye, resulting in blood poison. After nine months of doctoring with all the remedies to be found in horse books, I despaired of a cure. His right hind-leg was as large as a man's body, and had on it forty running sores. He was a most pitiable looking object. At last I thought ot Switt's Specific and commenced to use it. I used fifteen bottles. In August last all symptoms of the disease disappeared. There have been no the disease disappeared. There have been no signs of a return, and the horse has done a mule's work on my farm ever since. JAS. L. FLEMING, Augusta, Ga.
