Public Printer Rounds' Measure to Prevent Its Premature Publi-

Speculations as to the purport of theria. the President's message are freely in-dulged in, though the gossip which has got into print concerning it is founded on mere guess-work. The Review, President Bridgers read his message is not yet even in memcrandum form and is not complete until the proof has been revised and corrected and this is usually done the Saturday or Sunday before the meet ing of Congress. To get possession of an advance copy of a message used to call out the ingenuity and financial resources of the newspaper cor respondents. Under Public Printer Rounds, however, there is no such competition, the extraordinary care taken by him cutting off all possibils ities of its capture. A large sized Marvin safe has been added to the office, and a sight of its massive doors and quadrupled bolts of steel would deter the most skilful and accomplished newspaper burglar. wording in complete

Printing Office and the additional precautions recently adopted appear superfluous. When a public confidential job is on a press the paper for that job is counted and must be resturned the ground th turned, the spoiled sheets with the rest. Dream.

A Madison, Ind., special says: On the night of the great fire at Galveston, O. V. Flora, of this city, had a remarkably vivid dream He saw in his vision the city of Galveston in flames, men, women and children fleeing before the fire, which licked desolate track of blackened ruins. heat. When he awoke he was so ceived. No news had been received at that hour. About 9 o'clock the news came over the wires of the fire at Galveston, verifying Mr. Flora's description of the scene.

By Dr. Frazier's Magic Contraent. Cures as if by Magic, pimples, black heads or grubs, blotches and ernptions on the face, leaving the skin clear and beautiful.
