

WHY? YES, WHY? The Salisbury Watchman naively asks "why should the CHARLOTTE OBSERVER parade a list of Senate expenses under the head of an article on the Vance family? Does it mean that Senator Vance is responsible?"

He will be held to his proper ratio of responsibility. In his Senatorial record of eight years there is no place in the Congressional Record where either Senator Vance or Senator Ransom lifted their voices, to say nothing of their votes, against the wholesale stealing indulged in by Congress.

We showed some time ago that, according to the report of the Secretary of the United States Senate—Hon. Anson G. Cook—that \$993,881.87 of the people's money was spent for the fiscal year ending June 30, 1885, to pay the running expenses of the Senate.

We showed further that this sum amounted to THIRTEEN THOUSAND, SEVENTY DOLLARS, AND EIGHTY-ONE CENTS, for each of the seventy-six Senators.

These seventy-six Senators are the representatives of the people of the several States. Senators Vance and Ransom represent a million and a half of people. More than a quarter of a million voters.

They occupy their seats. They assemble at 12 o'clock, when they do not happen to have anything else to do. And they usually adjourn about four o'clock.

Generally taking Fridays and Saturdays of each week as holidays to rest their tired bodies, because of overwork. Each Senator provides himself with a secretary.

When it is known that Senator Ransom has not written half a dozen letters to his constituents during his twelve years of service. These Senators sit there from day to day and never open their lips to prevent the reckless extravagance that is indulged in.

And of course they are responsible. If they don't think so, just let them wait until the next election, and they will hear SOMETHING MORE.

For the benefit of our tax-payers, and such citizens as take an interest in these matters, we will publish another little bill of the Senate's expenses, as taken from pages 90-100 of the Secretary's report:

A CLEVELAND COUNTY MURDER. Under the provisions of Section 197 of the Code of North Carolina, an election was held in Cleveland county, submitting to the qualified voters of the county, a railroad subscription of \$125,000.

The election was held and it appears that 1693 voters voted in favor of the subscription.

But it seems that section 198 of the Code requires that in all elections held under section 197, the votes shall be canvassed by the Board of County Commissioners, who shall make a record of the same.

This it seems was not done and I. W. GARRETT, Esq., Chairman of the Board of County Commissioners, has written a column letter in the Shelby Aurora, to say that he shall not sign and issue the bonds.

A FUNERAL DAY. Yesterday in Congress—Both Houses Pay Respect to the Memory of the Late Senator Miller.

WASHINGTON, March 13.—The Senate assembled at the usual hour today, but after prayer the Chair announced that the order for the day would be the funeral exercises of Senator John F. Miller, of California.

The services were attended by the House of Representatives in a body, headed by the Speaker and Chaplain, the Supreme court in official robes, the diplomatic corps, the President and Cabinet. The religious services were those of the Episcopal church, conducted by the Chaplain of the Senate.

On the conclusion of the religious services the President pro tempore of the Senate said: "The Senate has assigned to a committee of this body and committee of its members, the custody of the mortal remains of our honored friend and brother, to conduct them to his western home, and leave them with the friends who have loved and honored him, to pay the last tribute of respect to his memory. The Senate as a body will also attend the body to the railroad station."

The Senate then adjourned, and the procession having been formed, as pre arranged, moved to the music of dirges by the Marine band, out through to the depot, where the remains of the mortal remains of our honored friend and brother, to conduct them to his western home, and leave them with the friends who have loved and honored him, to pay the last tribute of respect to his memory.

The train was a special one, expected to go through to California. It was made up of one combined passenger and baggage car, in which the remains of the dead Senator were placed, one Pullman hotel car, and one sleeping car, for the accommodation of the family of the deceased and the Congressional delegation. Chief Clerk Johnson, of the Senate, was in charge of the funeral party and passenger agent Parks, of the Pennsylvania Railroad, was in charge of the train.
