AS IT PASSED THE SENATE,

THE BLAIR BILL

And Now Awaits the Action of the House of Representatives --- It Appropriates Seventy-Nine Millions of Dollars for the State Public Schools.

We publish herewith the full text of the Blair educational bill as it passed the Senate, and is now in the House awaiting action:

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled:

That for eight fiscal years next after the passage of this act there shall be annually appropriated from the money in the treasury the fol-lowing sums, to-wit: The first year the sum of seven million dollars, the second year the sum of ten million dollars, the third year the sum of fifteen million dollars, the fourth year the sum of thirteen million dollars, the fifth year the sum of eleven million dollars, the sixth year the sum of nine million dollars, the seventh year the sum of seven million dollars, the eighth year the sum of five million dollars, which several sums shall be expended to secure the benefits of common school education to all the children of the school age mentioned hereafter living in the United States. Provided, that no money shall be paid to a State, or or any officer thereof, until the Legislature of the State shall, by bill or resolution, accept the provisions of this act; and such acceptance shall be filed with the Secretary of the Interior. And if any State, by its Legislature, shall decline or relinquish its share or proportion under this act, or any portion thereof, the sum so relinquished shall go to increase the amount for distribution among the other States and the Territories as herein provided. And any State or Territory which shall accept the provisions of this act, at the first ession of its Legislature after its passage, shall, upon complying with the other provisions of this act, be entitled at once to its pro rata share of all previous annual appropria-

SEC. 2. That such money shall annually be divided among and paid out in the several States and Territories, and in the District of Columbia, in that proportion which the whole number of persons in each who, being of the age of ten years and over, cannot write, bears to the whole number of such persons in the United States: such computation shall be made according to the census of 1880 until the illiteracy returns of the census of 1890 shall be received, and then upon the basis of that census. And in each State and Territory, and in the District of Columbia, in which there shall be separate schools for white and colored children, the money received in such State or Territory, and in the District of Columbia, shall be apportioned and paid out for the support of such white and colored schools, respectively, in the propor-tion that the whi e and colored children between the ages of ten years and twenty-one years both inclusive, in such State or Territory and in the District of Columbia, bear to each other, as shown by the said census. The foregoing provision shall not af-fect the application of the pr per pro-portion of said money to the support of all common schools wherein white

and colored children are taught to-SEC. 3 That the district of Alaska shall be considered a Territory with-in the meaning of this act; but no acceptance of the provisions of this act, report of the Governor of the district. or expenditure by the district for school purposes shall be required; and the money apportioned to said district shall be expended annually, under the direction of the Secretary The most stylish Worsted Goods reduced to prices never before equalled in this city. A few very handsome Spanish Robes and Combination Suits at a ed for the expenditure of other appropriations for educational purposes in said district; and for the purpose of ascertaining the amount to be apportioned to said district the Secretary of the Interior shall ascertain, in such manner as shall be deemed by him best, the number of illiterates

SEC. 4. That no State or Territory shall receive any money under this act until the governor thereof shall fire with the Secretary of the Interior a statement, certified by him, showing the common-school system in during the last preceding school year in the support of common schools, not including expenditures for the rent, repairs or erection of school houses; whether any discriminationis made in the raising or distributing of the common-school revenues or in the common-school facilities afforded between the white and colored children therein, and, so far as is pracnumber of white and colored children in each county or parish and city between the ages of ten and twenty one years, both inclusive, as given by the ceasus of eighteen hun-dred and eighty, and the number of children, white and colored, of such Just received a choice lot of Potted Meats, Canned Fruits, Pickles, Crackers, &c. Also, Imported and Domestic Confectionery. school age attending school; the number of schools in operation in each county or parish and city, white and colored; the school term for each class; the number of teachers employed, white and colored, male and female, and the average compensation paid such teachers; the average attendance in each class; and the length of the school term. No money shall be paid out under this act to any State or Territory that shall not have provided by law a system of free common schools for all of its children of school age, without retary of the Interior that the funds di tinction of race or color, either in received under this act for the preschools for whi e and colored chil-

> of the Interior shall certify to the Secretary of the Treasury the State and Territories which he finds to be entitled to share the benefits of this act, and also the amount due to shall distribute the next year's appropriation as is hereinbefore provided. And it shall be the duty of the Secretary of the Interior to promptly investigate all complaints lodged with him of any misappropriation SEc. 5. That the amount so apporoned to each State and Territory shall be drawn from the Treesury by warrant of the Secretary of the Treesury, upon the monthly estimates and requisites of the Secretary of the Interior as the same may be needed, and shall be paid over to such officers as shall be authorized by the law of the respective States and Territories to receive the same.

dren shall not be con idered a viola-

And that the Secretary of the Interior is charged with the proper administration of this law, through the Commissioner of Education; and they are authorized and directed, under the approval of the President, to make all needful rules and regulations, not inconsistent with its pro-visions, to carry this law into effect. Sec. 6. That the instructions in the

common schools wherein these monies shall be expended, shall include the art of reading, writing, and speaking the English language, arith metic, geography, history of the Uni-ted States, and such other branches of useful knowledge as may be taught under local laws; and copies of all school books authorized by the school boards or other authorities of the respective States and Territories, and in pursuance of this act for the purused in the schools of the same, shall be filed with the Secretary of the In-

Sec. 7. That the money appropriated and apportioned under the provisions of this act to the use of any Territory shall be applied to the use of common and industrial schools therein, under the direction of the legislature thereof.

not being to establish an independent system of schools, but rather to aid for the time being in the development and maintenance of the school such Territories, and shall determine therefrom, before the first distribution is made, the amount to which such Territories and the school such Territories and shall determine the first distribution is made, the amount to which such Territories and shall determine the first distribution is made, the amount to which such Territories and shall determine the first distribution is made, the amount to which such Territories and shall determine the first distribution is made, the amount to which such Territories and shall determine the first distribution is made, the amount to which such Territories and shall determine the first distribution is made, the amount to which such Territories and shall determine the first distribution is made, the amount to which such Territories and shall determine the first distribution is made, the amount to which such the first distribution is made, the amount to which such the first distribution is made, the amount to which such the first distribution is made, the amount to which such the first distribution is made, the amount to which such the first distribution is made, the first distribu system established by local government, and which must eventually be wholly maintained by the States and | the sum of seven millions of the first hereby provided that no greater part of the money appropriated under the act shall be paid out to any State or Territory in any one year than the sum expended out of its own reves nues or out of moneys raised under its authority in the preceding year for the maintenance of common schools, not including the sums expended in the erection of school buildings

SEC 9. That a part of the money apportioned to each State or Territory, not exceeding one-tenth thereof, may, in the discretion af its legislature, yearly be applied to the educa-tion of teachers for the common schools therein, which sum may be expended in maintaining institutes or temporary training schools, or in extending opportunities for normal or other instruction to competent and suit ble persons, of any color, who are without necessary means to qualify themselves for teaching, and who shall agree in writing to devote themselves exclusively for at least one year after leaving such training schools, to teach in the common schools, for such compensation as

may be paid other teachers therein. SEC. 10. That the moneys distrib uted under the provisions of this act shall be used only for common schools, not sectarian in character in the school districts of the several States, and only for common or in dustrial schools in Territories. In such way as to provide, as near as may be, for the equalization of school privileges to all the children of the school age prescribed by the law of the State or Territory wherein the expenditure shall be made, thereby giving to each child, without distinction of race or color, an equal oppor tunity for education. The term "school district" shall include all cities, towns, parishes, and other territorial subdivisions for school purposes, and all corporations clothed by law with the power of maintaing common schools.

SEC. 11. That no second or subse-

quent allotment shall be made under this act to an State or Territory uness the Governor of such State or Territory shall first file with the Secretary of the Interior, a statement, certified by him, giving a detailed account of the payments or disburse ments made of the school fund apportioned to his State or Territory and received by the State or Territos rial treasurer or officer under this act, and of the balance in the hands of such treasurer or officer withheld, or unexpended, and also the amount expended in such State or Territory as required by section nine of this act, and also a statement of the rumber of school districts in such State or Territory, and whether State or Territory, and whether any portion of such State or Territory has not been divided into school districts or other territorial sub divisions for school purposes, and if so, what portion, and the reasons why the same has not been so subdivided; the number of children of school age in each district, and the relative number of white and colored children in each district, and of the number of public, common, and inforce in such State or Territory; the dustrial schools in each district, the amount of money expended therein number of teachers employed; the number of teachers employed; the rate of wages paid; the total number of children in the State or Territory, and the total number taught during the year and in what branches instructed; the average daily attendance and the relative number of white and colored children; and the number of months in each year schools have been maintained in each school district. And if any ticable, the sources from which such revenues were derived; the manner in which the same were appointed to the use of the common schools; the manner herein required, the funds, or any part thereof, received under the provisions of this act, or shall fail to comply with the conditions herein prescribed, through its proper officers, the disposition thereof, and the other matters herein prescribed to be so reported, such State or Territory shall forfeit its right to any subsequent apportionment by virtue hereof until the full amount so miss applied, lost, or misappropriated shall have been replaced by such State or Territory and applied as herein required, and until such report shall have been made: Provided, That if the public schools in any State admit to public schools in any State admit to public schools in the ages herein to be so reported, such State or Terhereof until the full amount so miss applied, lost, or misappropriated shall have been replaced by such State or Territory and applied as herein required, and until such report shall have been made: Privided, That it the public schools in any State admit pupils not within the ages herein specified, it shall not be deemed a failure to comply with the conditions herein. If it shall appear to the Secretary of the Interior that the funds received under this act for the pre-

wise the Secretary of the Interior

by or in any State or Territory of

any moneys received by such State

annually reported to Congress. SEC. 12. That on or before the first day of September of each year the Secretary of the Interior shall report to the President of the United States whether any State or Territory has forfeited its right to receive its apportionment under this act, and how forfeited, and whether he has withheld such allotment on account of such forfeiture.

SEC 13. That no State or Territory that does not distribute the moneys raised for common school purposes equally for the education of all the children, without distinction of race or color, shall be entitled to any of the benefits of this act.

SEC. 14. That the apportionment of the money that shall be appropriated in pursuance of this act for the new control of the second con

poses of education in the Territories shall be upon the basis of the illiteracy therein, as provided in section two of this act; but in determining the number of illiterates therein the Secretary of the Interior is authorized to receive and consider, in addition to the census returns of eighteen bundred and eighty, any evidence that may be submitted to him showing the number of illiterates in any tion is made, the amount to which such Territory is entitled. SEC. 15 That there shall be appro-

priated and set apart, in addition to Territories wherein they exist, it is appropriation, the sum of two million dollars, which shall be allotted to the several States and Territories on the same basis as the moneys appro-pri ted in the first section, which shall be known as the common schoolhouse fund, to be paid out to each State and Territory at the end of the year on proof of the expenditure made during such year, which shall be expended for the erection and construction of school houses for the use and occupation of the pupils attend-ing the common schools in the sparsely populated districts thereof, where the local community shall be comparatively unable to bear the burdens of taxation. Such schoolhouses shall be built in accordance with plans to be furnished free on application to the Bureau of Education in Washington. Provided however, that not more than one hundred and fifty dollars shall be paid from said fund toward the cost of any single schoolhouse, nor more than one-half the cost thereof in any case; and the States and Territories shall annually make full report of all expenditures from the schoolhouse fund to the Secretary of the Interior, as in case of other moneys received section is understood to be the Logan amendment. - ED]

SEC 16. The District of Columbia shall be entitled to all the benefits and subject to all the regulations of this act, so far as applicable under its form of government.

SEC. 17. The power to alter, amend or repeal this act is hereby

reserved. INJUNCTION GRANTED.

The Suit of the Brown Chemical Company versus Alex. Welller

BALTIMORE, May 18.—Judge Fisher sitting in the Circuit Court of Baltis more City, today granted an injuc-tion in favor of the Brown Chemical Company of Baltimore, the wellknown proprietors of Brown's Iron Bitters, vs. Alex. Weiller and Eugene Weiller, trading as Alex. Weiller & Co., and Maryland Pharmaceutical Company, stopping them from ma-king Iron Tonic, as it is an infringement on the Brown's Iron Bitters. It will be remembered that the Brown Chemical Company commenced suits about a month ago against a number of parties for imitating their Brown's Iron Bitters by making and selling Iron Tonics, Iron Remedies and Iron Tonic Bitters, and this is the first deraces upon their medicine—Brown's Iron Bitters. Messrs. Marshall & Hall and Price, Steuart & Steuart, o Baltimore, and Mr. Rowland Cox, of New York City, are counsel for the the plaintiffs.

Who is Mrs. Winslow?

Who is Mrs. Winslow?

As this question is frequently asked, we will simply say that she is a lady who for upwards of thirty years has untiringly devoted her time and talents as a female physician and nurse, principally among children, she has especially studied the constitution and wants of this numerous class, and, as a result of this effort, and practical knowledge, obtained in a lifetime spent as nurse and physician, she has compounded a Soothing Syrup, for children teethinff. It operates like magicgiving rest and health, and is moreover sure to regulate the bowels. In consequence of this article, Mrs. Winslow is becoming world-renowned as a benefactor of her race; children certainly do rise up and bless her; especially is this the case in this city. Vast quantities of the Soothing Syrup are daily sold and used here. We think Mrs. Winslow has immortalized her name by this invaluable article, and we sincerely believe thousands of children have been saved from an early grave by its timely use, and that initions yet unborn will share its henefits, and unite in calling her blessed. No mother has discharged her duty to her suffering little one, in our opinion, until she has given it the benefit of Mrs. Winslow's Soothing Syrup Try it, mothers—try it now.—Ladies' Visitor. New York City Sold by all druggists. Twenty-five cents a bottle
