RUTHERFORD BONDS. SHALL THEY BE ISSUED AS VOTED? An Account of a Public Meeting in Rutherford to Consider the Question—An Unanimous Affirmative Reply, but Finally a Question for the Courts to Settle. The citizens of Rutherford county met together on Saturday, May 15th, to express their sentiments concerning the suit recently brought in their name to restrain the issue of the bonds voted to the Rutherford Railway Construction Company.

WHEREAS, The agents appointed by law to manage Rutherford county's interest in the Rutherford Railway Construction Company and the directors of the said Rutherford Railway Construction Company have entered into a contract with the Massachusetts and Southern Construction Company which, in consideration of the bonds voted as above, secures the location of a great trunk line, the Cincinnati and Chicago Railroad, through Rutherford county, and have appointed a trustee to hold the said bonds under the very equitable provisions of said contract, this trustee has fully protected the interest of the county by a large indemnity bond.

citizens thereof and that any attempt to evade the obligations of the same is an effort at repudiation equally disreputable to our honor, and to our material interests. Resolved, That we approve of all the acts of the railroad agents of Rutherford county; and of the directors of the Rutherford Railway Construction Company and of the Commissioners of Rutherford county in making the same in pursuance of the contract with the Massachusetts and Southern Construction Company and that we believe that all has been for the progress of the county, while her rights have been fully guarded.

Resolved, That we have absolute confidence in the ability, integrity and good faith of the Massachusetts and Southern Construction Company and hereby express our sense that it has exceeded its promises set forth in the above named contracts. Resolved, That we condemn and repudiate all of the obstructions with which the Massachusetts and Southern Construction Company has been met. Resolved, That we denounce and condemn the suit brought to annul the issue of the county as a blot upon her fair name and not representing the sentiment of her people, and as a work of malice which, without releasing the county from any of her obligations, may, unless its spirit be fully understood, destroy her credit beyond recall by lowering the value of her bonds in the market.

Resolved, That we regard it the duty of each citizen of the county to do in his power to further the great object in view, and to be deeply and peculiarly interested and that he who obstructs shall be branded as a traitor to her interests. Resolved, That the development and prosperity of the county, one of the noblest of the State, depend upon her record abroad. As one of her citizens, proud of her honor and interested in her progress, he was unwilling that the report should go out that Rutherford county would not meet the obligations she had voted upon herself. Much depends upon her integrity, honesty and a determined effort to uphold all obligations.

he believed that both Rutherford and Cleveland counties would pay their debts; for both were honest. Mr. Dixon's remarks were at times humorous and secured for him much applause. All of the speakers were frequently interrupted with enthusiastic demonstrations. After a few remarks by Mr. Geo. A. Frick, the resolutions were adopted unanimously and the announcement of the result received with loud cheers. Upon motion of Mr. McMahon, the following committee was appointed to present the resolutions to the press for publication: Dr. E. B. Harris, Rutherford; Superintendent of Schools A. L. Rucker, Green Hill; A. Justice, F. Union; C. P. Tanner, J. P. Sulphur Spring; County School Commissioner J. P. Burgess, High Shoals; Mr. T. M. Walker, Colfax; Postmaster H. S. Taylor, Cool Springs; Mr. W. Withrow, Duncan's Creek; J. M. Mott, J. P. Gold on Valley; Mr. Jos. Scoggins, Logan's Store; Mr. A. W. Gilkey, Camp Creek; A. W. Haynes, Morgan, and Rev. W. H. Logan, Chatham Rock.

Resolved, That we denounce and condemn the suit brought to annul the issue of the county as a blot upon her fair name and not representing the sentiment of her people, and as a work of malice which, without releasing the county from any of her obligations, may, unless its spirit be fully understood, destroy her credit beyond recall by lowering the value of her bonds in the market.
