

THE S. C. & G. EXTENSION.

The Contract Let for Grading Between Marion and Johnson City, Tenn.—The Constitutional Amendment Will Carry in Rutherford.

Rutherford, Sept. 14.—The South Carolina & Georgia Extension Railroad Company, which has, as stated some days ago in The Observer, either been sold to the Seaboard or Southern, is going to complete their line at once. The Gaffney Ledger of yesterday says: "Mr. W. O. Lipscomb, Gaffney's big railroad contractor, is in the city on business. He says that yesterday he signed a contract with the South Carolina & Georgia Extension Company to grade ten miles of their road between Marion and Johnson City, Tenn."

Messrs. Gaston B. Justice and F. B. Watkins left to-day for the University. Mr. Justice will read medicine.

There is no doubt that the constitutional amendment will carry in Rutherford by a big majority. That some of the leading Republicans are in favor of it (and lots of those who are not) who say "it will carry but is not a fair measure" is as good evidence as is needed.

Joe Twitty and Buster Carpenter, colored, were arranged before Squire Allen yesterday charged with cruelty to animals, and fined \$3 and the costs. They appealed.

Miss Maude Cox, of Asheville, is at Green River Farm; Colonel Cox, who has been very sick, is still improving.

Dr. Frank Bright, of Elleno, informs me he has all the orders he can fill for the next few weeks for the Amos Owens cherry trees. He is shipping them to most all the Southern buyers for fruit and shade trees.

The old county farm will be sold Monday to the highest bidder.

Mr. L. Logan, of the Logan House, Chimney Rock, has been in town this week. He told me that their house alone has had about 300 guests recently.

Work on the sidewalks is progressing. The contractors have begun work on the east side, and I am informed the work will be completed at once.

Mr. and Mrs. Shephard, of Wilmington, came up to-day to see their daughter, who is very ill.

Superintendent Smith, of the Levi Cotton Mill, informed your correspondent to-day that the new machinery for the second floor had arrived and was being placed as rapidly as possible. A third boiler has been purchased and is expected next week. The brick machine is making brick by the thousand for additional room.

Rev. W. R. Minter left yesterday for Grover, S. C.—Mr. S. Gallert is in Asheville.—Capt. W. T. R. Bell went to Cherokee yesterday.

Henrietta has let the contract for a new Baptist church, which will cost over \$1,000.

UNGLAZED TILES.

Mr. J. A. Justice Makes Them at Statesville. The tiles are made at a protracted meeting.

Special to The Observer.

Statesville, Sept. 14.—The Statesville Cotton Mills resume work again in the morning, after a shut-down of a week for repairs on boilers.

Statesville has a new industry to add to her other numerous manufacturing interests. Mr. J. A. Justice is manufacturing a very fine quality of unglazed tiles. He has shown me samples which are heavy and finish is equal to any manufactured in the North. The people of this section ought to support him in his effort to supply the home market. His factory is on the Boulevard, near the overhead bridges.

The pressed brick for the new court house is arriving. They are buff color. The work on this building is being pushed rapidly.

The town is being billed to-day for the circus, consequently the small boys are happy. Advertising car No. 1 arrived last night. This is one time when Statesville gets ahead of Charlotte and Concord. This grand aggregation gives them the go-by. Senator Tillman, Fitzsimmons and the other great celebrities do not pass through here very often but we do have a circus occasionally. We are only 41 miles from Charlotte and I suppose you can all take a day off and come up and take in the circus.

Mr. Jake Matheson is moving to-day in the house vacated by Mr. J. W. Spence. Mr. and Mrs. Spence are boarding at the Honey House.

A protracted meeting is being held at the West End Methodist Episcopal church. Rev. W. K. Houck, of Morganton, is assisting the pastor, Rev. R. G. Barrett. The interest is great.

Rev. J. H. Pressly left yesterday for King's Mountain, where he will conduct a meeting.—Miss Olive Crowson left yesterday for Atlanta, where she has a position as milliner.—Mrs. J. B. Hussey, of Washington, who received here, is visiting Mrs. H. T. Carlton.—Mrs. Carrie Hyams, who has been here for several days, returned to her home in Charlotte yesterday.

HARD TO TELL HOW IT MAY END. Serious disorders of the bowels often develop from a mild case of diarrhoea that could at the start have been cured by a single dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Any unusual looseness of the bowels should always have prompt attention for when neglected no one can tell what the result will be. This remedy can always be depended upon and is pleasant and safe to take. R. H. Jordan & Co.

A manufacturing concern at Hamilton, O., has shipped to Yokohama for the Japanese government an equipment for one of the finest paper mills in the world. Japan has decided to make her own paper.

Grafton, Va., May 21, 1897.—I take pleasure in recommending Chamberlain's Colic, Cholera and Diarrhoea Remedy as the best medicine for diarrhoea I have ever used. I aim to keep a bottle of it in my house at all times. Kemp Charles. Sold by R. H. Jordan & Co.

Oakland, Cal., has accepted the offer of Andrew Carnegie to give \$50,000 for a public library, and promised \$4,000 a year to its support.

A WONDERFUL CURE OF DIARRHOEA. Editorial in The Times, Hillsdale, Va. I suffered with diarrhoea for a long time and thought I was past being cured. I had spent much time and money and suffered so much misery that I had almost decided to give up all hopes of recovery and await the result, but noticing the advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy and also some testimonials stating how some wonderful cures had been wrought by this remedy, I decided to try it. After taking a few doses I was entirely well of that trouble and I wish to say further to my readers and fellow-sufferers that I am a hale and hearty man to-day and feel as well as I ever did in my life.—C. R. Moore. Sold by R. H. Jordan & Co.

MISS SUS MAXWELL DEAD.

A Former Mecklenburg Lady Passes Away in Tennessee—Sketch of Her Life. Correspondence of The Observer.

Mole, Tenn., Sept. 8.—Miss Sus C. Maxwell was born near Charlotte, N. C., on February 22, 1828, and died near Church Hill, Tenn., at the home of her sister, Mrs. M. J. Hamilton, on August 8th, 1899. She leaves two brothers in Texas, and Mrs. Hamilton, her only surviving sister.

She came to Tennessee and lived with her sister, Mrs. M. E. Hamilton, until death separated them, some 17 years ago. Her remains were buried near those of other relatives, among which are those of her mother and sister, Lou. Miss Maxwell was never strong in body, being a dyspeptic almost her entire life. But she never gave up to sickness and disease until age enfolded her so greatly. She was always cheerful and helpful to all whom she met. And, while this was true, during the last months of her life, her sufferings were so severe and constant that she expressed herself as not only trying to be prepared to pass to the realms of another world at any time, but just waiting and praying to hear the Lord's "Well done!" and be at rest.

She made a profession of religion in early life, and became a member of the Presbyterian church in Charlotte, N. C. Her membership was never renewed. She was a graduate of the Asheville Female College and afterwards taught there. She was a student of the Rutherford Synodical College, Tennessee. In the year of '54, she was recognized as a most scholarly woman—a mind unusually strong and well-balanced. Her will power was sufficient to accomplish almost anything attempted. Her work as a teacher is felt, is appreciated, and the seeds of good she has sown will bear a faithful harvest.

She died as she had lived, quietly, without a sign of pain; and the smile of everlasting peace and happiness settled itself on her lips. The deep furrows and lines of suffering seemed to smooth out in death and leave no trace behind. A more youthful countenance was confined for the grave than we were accustomed to see languishing on the bed of pain.

Truly, Aunt Sus is at rest from the trials of this life. There is no more pain, sickness, nor death. Glad smiles, sunshine and flowers shall be her eternal enjoyment. May we who are younger in years strive to do so well, the good she accomplished.

Peace to her ashes, as we believe her immortal soul is at peace with God. A niece, MRS. MARY B. HAMILTON.

VIRGINIA MOSELY FOUND.

She Was Discovered at Wadesboro Alive but Making No Explanations—Duncan McKenzie Dies in Scotland.

Monroe, Sept. 14.—Miss Virginia Mosely, the girl who mysteriously left home, has returned to her parents, having been found in Wadesboro. She gave no explanation of her singular actions.

Miss Carrie B. Stitt, youngest daughter of Mr. and Mrs. J. M. Stitt, and sister of Mr. Fred Stitt, of Charlotte, died at the home of her parents at midnight last night. The funeral services will be conducted from the Presbyterian church to-morrow morning at 10 o'clock.

Mrs. Duncan McKenzie has received a cablegram announcing the death of her husband in Scotland last Sunday. No news was sent to her of his death till she became uneasy and called yesterday. Mr. McKenzie has been in bad health for long time and as a last effort to restore himself to health left two months ago for the home of his childhood in Scotland. He stood the trip well, but was too far gone to be benefited. He had been living in Monroe about twelve years, and was in all respects a good citizen. He was an elder in the Presbyterian church. His wife and one child survives him. He was 36 years old and had been in America 18 years.

Revenue Officer J. W. Harty captured an illicit whiskey turnout to-day. There was a quantity of whiskey and a fine team.

Mr. John D. Collier, of Charlotte, spent the day here.—Mrs. W. D. Penberton and children are visiting relatives in Concord.

Jews Boycott a Newspaper. Charleston, S. C., Dispatch, 13th.

Jewish merchants of Charleston practically decided to-day to withdraw their entire patronage from The Evening Post, an afternoon paper, because of its editorial utterances on the Dreyfus verdict. The paper undertook to point to real guilt of Dreyfus, and said that reports sent out from Rennes were gibberish to suit American taste, which was in sympathy with the prisoner.

The Tyler Family in Washington. Washington, Sept. 11.—The Tyler family representatives who have been in attendance upon their fourth reunion, devoted themselves to-day to seeing the sights and exchanging reminiscences, genealogy, and otherwise, as people of family do under such circumstances. A great many of them went to Mount Vernon this afternoon, and there was a considerable contingent which visited Arlington.

CASCARETS constipation. Only in

They are noisy but they are nice. Who would exchange the merry noise of children at play, for the childless home where the clock tick can be heard hour after hour in the dull silence? But there are a great many who would like to people the silent home with the children that fate has refused them. Fate is often in this case only another word for ignorance. Many a glad mother dates her happiness from the day she first began the use of Dr. Pierce's Favorite Prescription. It often happens that with the cure of female weakness and the establishing of the delicate organs in sound health, the way is opened for the joy of motherhood. "Favorite Prescription" is a specific for the chronic ailments peculiar to women. It cures them perfectly and permanently. No other medicine can do for women so much as "Favorite Prescription." Do not therefore let any other medicine be palmed off on you as "just as good."

"Favorite Prescription" contains no alcohol, opium, cocaine or other narcotic. It is strictly a temperance medicine. I had been a sufferer from nervous trouble for about three years, and the doctors that I consulted said I would have to go through an operation before I could give birth to a child. When about to give up in despair I saw the advertisement of Dr. Pierce's medicine and thought I would give it a trial. I bought a bottle of Dr. Pierce's Favorite Prescription and after taking it felt better than I had for years. It improved before I had taken one-half of the bottle. After taking four and a half bottles I gave birth to a bright baby girl who is now four months old and has not had a day of sickness. She is as bright as can be. A woman's complexion often suffers because of poisonous accumulations in the system. Dr. Pierce's Pleasant Pellets remove these accumulations and cleanse the complexion. They regulate the stomach, liver and bowels.
