

UNIVERSITY VS. DAVIDSON.

GAME OF FOOTBALL HERE TO-DAY.

Both Teams Are in the Pink of Condition and Are Determined to Win—The University Men Much Heavier—The Records and the Line-Up of the Players.

The game of football between the University of North Carolina and Davidson College will begin at Latta Park this afternoon immediately after the conclusion of the circus performance.

The University players arrived last night and are quartered at the Central Hotel. The Davidson men will come over this morning on the early train.

Both teams will play their regular and strongest men, and the game promises to be the most exciting ever witnessed in Charlotte.

The following will be the line-up of the teams: DAVIDSON CURRIE, L. E., Fisher, O'Brien, J., L. T., Foust, (Capt.)

It will be noted at a glance, to-day, that the University men are heavier than their opponents. Their average weight is 185 pounds, while the Presbyterian boys average only 145 pounds.

The games played by the two teams this season show both to advantage. The University defeated Oak Ridge 35 to 0; Guilford College, 66 to 0, and Furman, 19 to 0.

Chapel Hill, Oct. 17.—Considerable interest is manifested here in the game with Davidson in Charlotte to-morrow.

The University never has put a heavy score on Davidson on account of having some of its men disabled just before the game.

The University will probably line up her men as follows: Townsend, right end; Jones, right tackle; Shepherd, right guard; Stewart, center; Fawcett, left guard; Foust, left tackle; Fisher, left end; Graves, quarter-back; Eagle, full-back; half-backs, Oldham, Jacobs, Berkeley, Newton.
