DEATH OF MRS. M. W. PRESSLY.

Remains Passed Through the City Yesterday on the Way to Mooresville, Where the Interment Will Take Place To-Day—A Member of a Distinguished Family, and a Much-Loved Woman.

Dr. Mason W. Pressly, of Philadelphia, passed through the city yesterday with the remains of his wife, who died at Philadelphia Monday. Dr. Pressly went to Mooresville to his brother's, Mr. Barron W. Pressly, from whose home Mrs. Pressly will be buried to-day in the old, historic burial ground at Coddle Creek, where several generations of Presslys are buried. Mrs. C. A. Worth, of Asheville, will meet the remains of her daughter at Mooresville.

Mrs. Mason Pressly was Miss Annie Clarkson Worth, of a family distinguished in this State. Some member of her family has held honored position in the State government for more than 40 years; one uncle was Governor North, Treasurer North was another. Her father was Dr. T. C. Worth, who gave his life in unswerving professional service to the people during the yellow fever scourge in Wilmington.

Mrs. Pressly was a graduate of Peace institute, at Raleigh, where she took high honors. Her home for several years before her marriage was at Asheville, where she left a sweet memory for her kindness, sympathy and helpfulness. Early in life she joined the Presbyterian church. She had lived in Philadelphia, New York and Mississippi. She was the embodiment of hopefulness and cheer, and though an invalid for ten years, she was always performing acts of charity and personal service. An exemplary Christian, a true friend, a loving daughter, a devoted wife, a tender mother, a helpful neighbor, she was identified with many civic and religious movements, and gave liberally of her means. Her death will be mourned by very many throughout the State.

ARBITRATION PROPOSED.

Dilettante Graded School Trouble to be Turned Over to a Board of Referees.

The county board of education met in a called session yesterday afternoon and held a conference as to the proposed suit against J. N. Maloney, a contractor, who, it was said, has been negligent in the erection of the new Dilworth graded school building. The board alleged that the roof was put on improperly, causing it to sag. The board also considered a proposal to refer the matter to a board of arbitration. It has been proposed that one member be chosen to represent the board of education, another to be chosen by Mr. Maloney, and that these two select the third. On account of the absence from town of Mr. E. T. Casler, of the firm of Burwell & Casler, county attorney, the matter was deferred till his return.

Mr. C. W. Tillet has been retained by Mr. Maloney to represent his case. Mr. T. L. Kirkpatrick will represent the workmen on the building.

The county board of education met in a called session yesterday afternoon and held a conference as to the proposed suit against J. N. Maloney, a contractor, who, it was said, has been negligent in the erection of the new Dilworth graded school building. The board alleged that the roof was put on improperly, causing it to sag. The board also considered a proposal to refer the matter to a board of arbitration. It has been proposed that one member be chosen to represent the board of education, another to be chosen by Mr. Maloney, and that these two select the third. On account of the absence from town of Mr. E. T. Casler, of the firm of Burwell & Casler, county attorney, the matter was deferred till his return.
