BOTH PARTIES SPENDING MONEY

perts Predict a Larger Amount Vill Be Expended in the Present ampaign Than Was Ever Expended lefters—Both Democratic and Re-ublican Contributors are Liberal— Vhere the Money Goes—A Large ote is Predicted in All the Doubt-al States This Year.

BY W. A. HILDEBRAND.

ecial to The Obeserver

New York, Oct. 6 .- It is expert politl opinion that a larger amount of ney will be expended in this State during this campaign than has been election that has hitherto been held in the State, whether national or gubernatorial. At the last election, the Republicans are credited with having used something like \$750,000, while it is not believed the Democrats were able to procure more than \$50,000. Already the Democrats have several times that amount subscribed, with the distinct understanding that every doldistinct understanding that every doi-lar of it is to be used in New York. by Rev. W. M. Morrison, for seven it is end that some correct inter years a missionary in the Congo land. It is said that some corporate inter-The Congress to-day accepted a reests in this city that necessarily had dealings with Tammany, from time to port from the committee on propatime, had let down liberally, while several hundred individuals had contributed to the campaign fund with the understanding that the money was to be used to bring about the defeat of nations enter into a treaty insuring, in case of dispute between countries, that "Odellism." Democratic lawyers here have subscribed a large amount, and writer heard the assertion made settlement to a union of all the powers. A second public meeting this afterthat the Democratic State committee noon was held in the Old South Meetnow had available something like \$250,with the campaign hardly begun, ing House, to consider the progress of It is generally believed to be true that the peace movement in Europe, with addresses by prominent foreign dele-Governor Odell has asked the Republican national committee for about \$700 .- gates. A dinner was given to-night, at 000, and it is taken for granted that which speeches were made by Bishop Casper, of England; the Baroness Von Mr. Odell's State committee will duplicate the amount. Some there are who Suttener, Booker T. Washington and profess to believe that the Republican others. campaign fund for exclusive use in the REPUBLICANS NAME BATES. Empire State will approach pretty close toosevelt's Administration Endorsed

to the two million mark, for the President wants to carry his State, and Governor Odell is seeking just that sort of vindication. The impression has gone abroad that apathetic conditions prevail everywhere. There was a lot of complaint about "general spathy" in again headed by Governor John L. Maine, but a big vote was polled there.

BIG VOTE PREDICTED.

A big vote is going to be polled in It those States which come properly Roosevelt's administration and advo-tituin the fighting zone. It is true cate reciprocity treates with foreign all those States which come property Roosevert's administration with foreign within the fighting zone. It is true cate reciprocity treaties with foreign and the other Republican leaders in 1896. It is there is comparatively little hyperbolic countries and especially with Canada. Before this they were halting and hesi-rah and shouting of the captains, but The convention also passed resolutions that the strength and the influence all those States which come properly there is plenty of quiet underground paying an eloquent tribute to the late of the gold Democrats gave them courage, work going on on both sides, and it Senator Hoar. work going on on both sides, and it Senator Hoar.

Senator Lodge addressed the convenwill tell on election day. One reason for the prevailing quietude is the lack tion, defending his attitude on the "personalities," and the fact that reciprocity question and the work of establishment of our standard of value neither the Democratic nor Republican himself and Senator Hoar at Washingnational platforms contain anything ton. General Moody also made an adconducive to special excitement. But dress defending the administration, to those Democrats, who, at great per-both sides are nevertheless anxious to The reciprocity resolution declares: "We believe that further measures whose courage held up the hands of the win, nence the great amount of money "We believe that further measures whose courage held up the hands of the are all heavily morigaged and bonded tions that have already been perfected melanoolis the taken toward negotiating Republican leaders when they were faint and it is likely that the Southern owns tions that have already been perfected reciprocity treaties with foreign counin these States. Why, in Indiana the tries, and especially with Canada and Democrats have engaged eleven men Newfoundland, upon such terms and out of every 250 voters, whose duty it conditions as will secure an enlargeis to see that every voter is accounted ment of foreign trade, for the common
