## HEALTH <br> is the Most Important

In buying food-articles, you must consider several things: Economy, Results, Easy Handling, Reliability; but the most important is Health

Health means everything. In clothes, furniture, etc., if the buyer gets a poor or imitation article, the only harm is loss of money. In buying food-articles, if imitations are supplied, there is a loss of money, and probably an injury to health which is beyond price.
Remember these facts when buying baking powder.
