CHARLOTTE DAILY OBSERVER, DEJEMBER 9, 1904.

ANNOUNCEMENT. ed, will please a which it is go for the change South Tryon street: Tele-mbers: Business office, 75; 's office, 13; managing edi-

entity a ornes, 16; managing ed-office, 28 reprint the same farmished on limiton. Advartisers may feel that through the columns of this they may reach all Charlotte a large portion of the best people is State and upper South Carolina. The paper gives correspondents as to hell de as a thinks public policy mits but it is in no case re-mible for their views. It is much formal that correspondents sign is manes to their articles, espe-ity in cases where they attack per-tor institutions, though this is demanded. The editor reserves right to give the hames of corre-ndents when they are demanded the purpose of personal antisfac-to receive consideration a com-mication must be accompanied by true name of the correspondent.

TRIDAY, DECEMBER 9, 1904.

THE REASON WHY.

correspondent, "A Respectful Inren" cites, in a communication in column, a recent editorial of id that as large a proportion of ern people as Northern favor the s and administration of the Relican party; as large a proportion r protection and expansion. Our dent thereupon asks some We cannot grant The Sun'4 ition that as many Southern peoas Northern indorse the policies and tration of the Republican party. h undoubtedly a host who do not st this by their votes do so. The i is agricultural and the interests ulture do not lie in the direction a high protective tariff. But very y Southern people believe in proction and expansion and yet vote the ratic ticket regularly. There is course a reason for this and it is t found in either of the two first sugwhich our correspondent puts the form of interrogatories. The ro having ceased to be a voter, only he very ignorant and the deeply preed white men continue to vote the ocratic ticket on his account. The as of the civil war have so far to cut no figure in our But in the third question: in it on account of the character of blican leadership and the mancent of Republican politics in the uth?" our correspondent puts his finr on the sore spot. Many Democrats o are at heart protectionists and exsts and believers in even other ublican policies, are not ambitious the association which their alliance th the Republican party would inive. The Observer has said, time nothing.

nd time again, that until the charac-

ators Simmons and Overman are THE CASES FAST DISPOSED OF. Secator, after making a survey of the situa- now greatly reduced of prisoners. The markably well suited to his tastes. and that the Republican Seniators and Representatives, gaterally speaking, have no real desire to take the Crumpacker move seriously. The Democrats may drive the Republicans to make some demonstrations. Senator Simmons thinks, by becoming excited and causing a prolonged agitation, but if they would only remain calm the Republican leaders would smother all the Platt and Crumpacker bills in committee. Senator Overman expressed much the same view as that entertained by his colleague. He says Senator Platt intree, was convicted in two cases of larceny, and sentenced to six months.

fuced the bill by request, and that it does on the roads.

Senators in general would take the guilty, and judgment was suspended acres has been purchased. view of the North Carolinians the agi- required to give a bond for good betation would soon stop. The Platt bill havior. New York Sun in which it was is the outcome of repeated threats Tom Walker, colored, for gambling against the South for disfranchiseing was sentenced to 60 days on the chain-

gang. the negro and it has been brought to Bert Douglass submitted to a charge the front at this time as the result of of an affray and was liberated upon the action of a New York Republican club payment of costs.

In the afternoon the first defendant which is doubtless flushed with the rewas Mack Mcllwaine, a burly negro, sult of the November victory. Like who was charged with carrying conefforts to set aside the constitutional cealed weapons. The case had some inamendments which cut off the illiter- teresting features. Mr. J. A. McRae defended Mack. The defendant swore ate negro vote but allow unlettered that he had taken the pistol from the whites to exercise the franchise, would hand of a companion and fired it, and soon die, for, despite the that he had never concealed it. The doubtless fairness assumed, the proposed new solicitor, in addressing the jury, said apportionment will serve no good pur- that the statute bearing on the subject was an old and important one. He call- 2 first-class rubber-tire landaus, as pose. Goaded on by such moves as the ed attention to its provisions: that if a introduction of retaliatory measures man has a pistol, and is off his premlike Carmack's election campaign fund ises, the presumption is that he has it inquiry resolution and bitter speeches concealed, and the burden of proof is bargain which will doubtless follow, the Re- concealed. The jury were out for some publicans will likely, as Senator Sim- time, but finally gave a verdict of guilmons says, make some demonstrations. Iy, with a recommendation of mercy. As we have said before, however, there An interesting case was that to the start of is no reason for Southern people to a half-drunken condition in a house let the reduction of representation which he had entered through a window worry them.
