BLISHERS' ANNOUNCEMENT.

riber in ordering the address per changed, will please in-address to which it is going as he suke for the change to at his paper changed, will please indicate the address to which it is going
at the time he asks for the change to
be made.

No. 8! South Tryon street. Telephone numbers: Business affec. It,
city editor's office. Ist, managing editor's office, Ist.

Advertising rates are furnished on
application. Advertisers may cell
sure that through the columns of this
paper they may reach all Charlotte
and a large portion of the best people
it this State and upper South Carolina.

This paper gives correspondents as
wide letitude as it thinks public policy
permits, but it is in no case reaponsible for their views. It is much
preferred that correspondents sign
their names to their articles, capedaily in cases where they attack persons or institutions, though this is
not Bemsoded. The editor reserves
the right to give the names of correspondents when they are demanded
for the purpose of personal satisfactien. To receive consideration a communication must be accompanied by
the true name of the correspondent.

SUNDAY, DECEMBER 18, 1904.

ADULTERATION OF FOOD STUFF AND THINGS. The pure-food bill, which has been

been under discussion in the Senate intermittently for several days past. mitted on it last Monday he said that "It has been estimated, and properly sted, that the value of adulterated and misbranded goods in the saliciplic acid and coal tar dye.

There is no doubt about the fact that the adulteration of food has what deadly things they are buying, hour? are entitled to all the protection the law can throw around them. It is

sumers of liquor? It is not to be believed that any article that is put upon the market in this country is so whiskey. It is deadly when at its best. It is the greatest scourge of -where one person has any one of addictions, one hundred are from the use of these drugs are said by township. some physicians to be worse than from of liquor-drinkers who do not believe streets yesterday. it. The quality of liquor under consid- ter of daily comment. eration at this moment is the pure, the vile stuff which is adulterated tend. with concentrated lye, to make it as healthful, to give it a bead, and with He now offers a reward of \$25. A pic age? A North Carolina storekeeper view at Jordan's drug store, and gauger, a man of truth, told, a few years ago, of the proprietor of a of new, white corn whiskey and having acre. thus converted its color into a beautiful to the bone. Yet men took this stuff into their stomachs.

should be included in the bill-that is, if the Morally Stunted have any rights is thought worth while to prolong their der Monday. convivial lives.

The Chattanooga Times says that Governor Frazier, of Tennessee, parpenitentiary, and that his predecessor. Governor Taylor, pardoned those under this age, right and left, and turnder this age, right and left, and turn-ed them loose as fast as they were The Observer, of Charlotte, is now with sentenced. In the absence of a better place for them, that is entirely right. It will not do for the little devils to get the idea that they have carte bianch until they are 14 years old, but almost anything is better than putting children cellable affirmative evidence, about any of these institutions having ever reanybody; but still the little The Observer. rufflens are entitled to a chance; and. yway, the reformatory is a good e to keep them until they are old sh to be turned out, having in the me had instruction as to the difbetween right and wrong. If ere still criminals it is time h then to talk about the peni-

ks as if the New York Republiin of Senator Depew ers at the Republican

THE GOVERNMENT SHOULD STOP

There is good reason for the resolution which Representative Livingston, of Georgia, has introduced to the House, calling upon the Department of Agriculture for the data upon which it based its recent estimate of the size the Buford. of the current cotton crop. There are Mr. H. B. Adams, many who do not believe that the esti- visitor in the city. mate is founded upon responsible authority. If not, if the returns were doctored before or after they reached in town. the Department, an irreparable wrong Gastor has been done the cotton farmers and every business interest of the South. There are also many who believe that the figures leaked before they were officially given out, and were used by the gambiers who were in possession of them in advance, to fleece others who were not. All of which suggests the inquiry, Why should the government assume it to be its business, any crop while it is being marketed and give out its findings? We have never heard that the farmers demanded this of it, and do not conceive that it revantage? Is it any proper function of a department of government to promulgate a guess at the amount of any Remedy Company, of Hickory, is in crop before its harvesting and preparaore Congress for several years, has tion for market have been completed?

Representative Livingston is hitting in the right direction, and if the inqui-It is in charge of Mr. McCumber, of ry which he has set on foot shall result North Dakots, and it is noted that in in the entire uprooting of the system the course of remarks which he sub- of crop-guessing, so much the better for the South and for all legitimate interests everywhere.

"We point with pride," to borrow United States sold each year is about the language of the party platforms-22.000,000." The bill relates to drugs to the array of fine advertisements in as well as articles of food, and Mr. Mc- this morning's paper. It is not unpre-Oumber said that the adulteration of cedented. On a number of occasions both "is simply appalling." In further heretofore this record has been surremarks Tuesday he read from the re- passed, but it is a creditable showing port of the pure-food commissioner of that is made to-day. The Observer goes his own State, telling of the discovery into the hands of the best people of articles of food-principally canned Charlotte and the State, people who ds-offered for sale in North Da- are able to buy things. This is the soods offered for sale in North Da-are able to buy things. This is the house was attacked for the curpose of house, of borax, boracic acid, sodium reason that advertisers use its coumns hits, copper salts, alumnium salts so freely and are willing to pay living prices for the privilege.

The ladies are holding the boards at esched an alarming length, and Mr. the present time. The war in the East mber made the excellent point has been retired from the footlights and that the States cannot protect the all interest is centered upon Mrs. Cassie seople in this matter but that this Chadwick, of Cleveland, and Miss Nanbe done if done at all by the nie Patterson, of New York. There is national government. Many of these siways somebody or something of uplterations are, in a high degree, permost and continuing interest-who injurious to health, and the consumers, or what will it be when these esteemocent purchasers, who do not know ed ladies shall have strutted their brief

And so Mr. Crumpacker has paid not the retailers, nor yet the whole- a visit to the President, has confessed sale dealers, who are at fault, but the his abandonment of hope of a reducmanufacturers, the canners, the pack- tion of Southern representation by this Congress, and hied him off to Indiana. But why is there not in this bill The indications are that we shall hear some provision of protection for the less and less of this scheme as time
