DEATH OF MRS. KATE LAMBETH.

at Her Home at Oak Ridge—Two Negroes Churged With Robbery Ar-rested—Chief Justice Spencer Adams a Visitor—Federal Clerk Resigns— Schools Suspend for the Christmas Holidays—Two Interesting Wedfolidays-

In all probability be sent to Washington to personally deliver the invitation. Mrs. Kate Lambeth, an estimable Christian woman of Oak Ridge, died at her home there yesterday and will be buried at Muir's chapel, four miles from here, to-morrow. Rev. S. J. Kirk, offi-cating. She was a daughter of Samuel Westbrook a celebrated nufferyman of Guilford county, and sister to the West-brooks, who have made, such a reputa-tion in the nursery and trucking business in Duplin county. She was 65 years of age, leaves no children, and survived two husbands. Dr. George Lambeth, of Hen-dersonville.

ACCUSED OF ROBBERY.

Yesterday atternoon Ed. Brown, col-ored, of Brown Summil; found when he efitered his home, that it had been broken into and rebbed of all his clothes, his into and rebbed of all his clothes, his gun, a watch and \$11 in money. George Van Hook, a negro, of Brown Summit, was arrested here this morning, accused of the crime. On his person was found the watch, in his values the clothing, in his pocket-book a \$5 bill, identified by Brown as his, but the shot-gun has not been located. Mention was made vesterday of the rob-

Mention was made yesterday of the robbery by some one Tuesday night of Wilkie's Restaurant. Yesterday after-

ware store. Garland was arrested, placed in jail, and will be given a hearing to-morrow. A wag on the police force de-clares that any man who will steal an overcoat off of a dummy's back, standing out day and night in this cold, freezing weather, ought to be hanged.

FEDERAL CLERK RESIGNS Clerk of the Federal Court, S. L. Trog-den has resigned his position as custo-dian of the Federal building here. Postdian of the Federal building here. Post-master Tyre Glenn has been appointed to the place and has accepted. Rev. J. F. McCulloch, professor of mathematics at the Adrian College, of Adrian, Mich., arrived last night to spond Christmas with his family here. Chief Justice Spencer B. Adams, of the Citizenship Court of the Indian Territory, spent yesterday here and left this morn-ing for Indian Territory. He stopped here on his way from Washington, where had been to report to the Department the work of the court during the two years of its existence. Judge Adams will re-turn to Greensboro to live and resume the practice of law after January 1st, the practice of law after January lst, the life of the court expiring December 31st. The Alumnae Association of Greensboro The Alumnae Association of Greensboro Female College, upon purchase of the property, assumed a bonded indebtedness of \$40,000. Every cent of this had been paid off, except a bond for \$100. which was strengely not sent in and could not was strangely not sent in, and could not be located. It came in yesterday and to-day was redeemed to the last penny.

principle and interest. SCHOOLS SUSPEND. The State Normal and Industrial Col-lege, the Greenaboro Female College and the city graded schools suspendel to-day for the Christmas holidays. Students of the college began leaving to-night on west-bound trains. As most of them are from the east, the Southern Raliway hus provided a sufficient number of special cars for the regular 7:20 east-bound train the component of the country, new tow are springing up, and different lines business houses are being established.

WITH SOUTHERN RAILROADS. Aim of All the Lines to Reach the Gulf of Mexico-Additional Proof of the Prosperity and Progress of Year, at of the

Special to The Observer. Baltimore, Md., Dec. 22.-The rail-road situation in the South is full of

instances showing the aim of all the important lines there to reach points Special to The Observer. Greensboro, Dec. 22-A movement is n foot to get the board of trade here to invite the President to spend a day in Greensboro, when he makes dig pro-posed Southern trip. A committee will, in all probability be sent to Washington to personally deliver the invitation. Mrs. Kate Lambeth, an estimable upon the Gulf of Mexico, particularly since the construction of a Panama

bridge project, and it was the further purpose of the company to continue eastward to the ports named. Another

very interesting and important report comes from Nashville, Tenn., to the effect that the Tennessee Central Railroad Company is considering plans to build two large extensions, one to Birmingham, Ala., and the other to Chat-tanooga. The first would be direct from Crossville, Tenn. An officer of the company declined to either af-firm or deny the report, which is said to come from a source close to the control of the road. These are but

of typical of the tendencies in railroad bery by some one Tuesday night of Wilkie's Restaurant. Yesterday after-noon Wilkie's nadge, which the police found belonged to a negro, Thomas Garland. Before arresting Garlard, the officers lo-cated his sleeping quarters and found many articles of stolen property. Among these were a gold watch, missed by a jeweiry firm one night last week; a 20-pound box of nuts, stolen from Clegg's bakery Saturday night; a pair of pants these wither is Monday night; a pair of pants from Wilkie's Tuesday night; an or of Mer-ritt, Johnson & Co's. Monday afternoon, and two piltols, missed from a haring to-riail, and will be given a hearing toconstruction in the South, which in

vantage of by the farmers along our line, if one is to judge by the increased acreage of fall plowing. The apple and peach growers have also been benefited by this mild fall weather in

so much that their orchards show plenty of cultivation and thrift. Never in the history of these two countles has there been greater activity in the building line than is shown at the present time. Especially is this true

No Effort Whatever to Check the Notable Social Event at High Point-A Movement to Erect a Y. M. C. A. Spread of the Disease-Initial Step in Organizing the Farmers-Church Entertainments.

Special to The Observer.

Laurinburg, Dec. 22 .- Smallpox is becoming prevalent in the county-both coming prevalent in the county-both in town and in country. Several cases build a \$20,000 Y. M. C. A. building and have been reported, though as yet no deaths have occurred. And there is no telling what will be the outcome, for there seems to be no effort to stop its spread except the urgent appeals of the county physicians to the people to submit to vaccination. There is no quarantine, not even of the houses where it is known to be, and no talk of a pest house for the cases declared to be genuine. The "man with the bumps" is literally given the right of here, and will most probably become a way. The meeting of the farmers of the

county at the court house last Saturday, is likely to be the initial act in getting the farmers united and becom- but the New York specialists are not ing members of the Southern Cotton yet certain that his eye sight will be Growers' Association.
