

# BIG PREPARATIONS FOR SPRING MILLINERY

FOR some weeks past our Milliners and Buyers were going from one place to another, securing the styles and fashions of the season's latest productions in Women's Head-Gear. They had access to some places that are not open to the public in general, and this is where America's styles are fashioned.

This season promises to be the best in our history. Our advantages are greater—longer experience—and we are better equipped in every way to furnish the swellest lot of Spring Hats, Coats, etc., ever shown in the Queen City or State.
