My Baby's Eyesight Restored By Mrs. Joe Person's Remedy

My baby suffered for months with a terrible running sore on the eyelid, which, after being treated by our physician, failed to heal. We took her to a specialist (as the sight was becoming affected) but seeing no improvement from the treatment, we stopped it, and she has been entirely cured by Mrs. Joe Person's Remedy. My mother has been cured of several attacks of cramp colic, and I think I should have been confined to my bed last winter had it not been for the Remedy. I consider it the most wonderful remedy known. MRS. T. H. MONTGOMERY, Graham, N. C., July 11, 1904.
