IMPROVEMENTS IN SUBURBS.

Extensive Grading at Piedmont Park -Road Machine Ordered for Work at Wilmoore.

Messrs. D. A. Johnston and son, Mr. J. M. Johnston, with a large force of men, have been doing some extensive grading for the Suburban Realty Company, along the Seventh street frontage at Piedmont Park. The company has donated ten feet extra width to the street and have had graded eightfeet sidewalks the whole length of the property, making a fine 66-foot avenue,

of what was formerly a 40-foot county road. The water and sewer systems along the whole street was completed a year ago and the Piedmont car line is at one end of the street and the Elizabeth car

line easily reached from the other, so that this street has some very available and valuable home sites. Nearly the entire east frontage was sold some months ago to Baltimore parties who

their property soon, and the west frontage will doubtless soon be largely taken up also for the lots are especially desirable as they front this fine macadamized boulevard and extend back to Independent Park.

Messrs. Johnston and their force will begin this extensive grading and improvements at "Wilmoore" and have ordered by wire an up-to-date machine with which quick work can be made. A rock quarry has been discovered on the property providing amply supply of rock for macadamizing or other stone work.

It is understood also that the Suburban Realty Company will donate another handsome park to the park and tree commission after the survey now being made by Mr. Holmes Blair is completed.

The company has placed an order with the city water superintendent for a number of standard fire hydrants

CHANGES IN SCHEDULES. one Important Changes on the Southern- No. 5 to Leave at 5.50 O'Clock-New Connections to be Made.

The Southern Railway has announced some very important changes in the

chedule of trains into, and out of. Charlotte and with Charlotte connections. In most instances the schedules have been "moved up." Several new connections will be made, and the changes generally will be beneficial to the people of Charlotte. The changes, which will go into effect Sunday, the 29th instant, are as follows: No. 35 will arrive at Charlotte at 10:15 p. m., and leave at 10:25 p. m. This slight change is made to receive connection from train No. 34 on the Savannah division. Train No. 8, which now leaves Char-

otte at 4 a. m., will be changed to leave at 3:30 g. m., arriving at Greensbore at 6:45 a. m. Train No. 27, which now leaves Char-

latte at 6:05 a. m., for Columbia, S., C., will leave Charlotte at 5:45 a. m., and arrive at Columbia at 10 a. m.

This change is made so as to connect at Rock Hill for Camden and other points on the Charleston division. Trains 237 and 238, between Winston-

Salem and Wilkesboro, will run daily, instead of daily except Sunday.

Schedule on the Asheboro branch will be made the same as last summer, except train No. 142 will be adjusted to connect with train No. 8 from Charlotte.

Trains 113 and 114, on the Charleston division, now operated between Kings-ville, S. C., and Blacksburg, will be extended and operated through to

Marion. Train No. 35, on the Asheville division, will leave Salisbury at 9 p. m. in-
