Wilson-Matlock.
Correspondence of The Observer.
Greensboro, April 20.—Mr. Robert B. Wilson, of Rockingham county, and Miss Lillie B. Matlock, of this city, were united in marriage Wednesday evening at 7:30 o'clock, the ceremony being performed by Rev. Dr. Henry W. Battle at the home of the bride's uncle, Mr. S. B. Matlock, on South Mendenhall street. There was a large attendance of relatives and friends and an elegant wedding supper followed the ceremony. The couple left yesterday for their future home in Rockingham county.

Mr. Paul McCorkle Loses His Left Eye.
At the Presbyterian Hospital yesterday afternoon at 3 o'clock, Mr. Paul McCorkle, of Lancaster, S. C., underwent an operation and had his left eye removed. The right eye had been removed some time last year. This, of course, leaves Mr. McCorkle totally blind. It will be recalled that Mr. McCorkle was in an unfortunate accident, with his horse and buggy, and was almost killed. Excepting the loss of his eyes Mr. McCorkle now seems to be sound in mind and body. His friends here are glad that it is no worse. Dr. E. R. Russell performed the operation yesterday. The patient stood it well and will soon be out again. Mrs. McCorkle came here to be with her husband. Some men are shortsighted they wouldn't be willing to pay the inheritance tax if they got a chance.

Special to The Observer.
Spartanburg, S. C., April 21.—One of the happiest citizens in Spartanburg, today, is Mr. W. J. Garrett, Jr., who has just received a telegram from his son, Marion Garrett, who was in San Francisco, when the first earthquake occurred Tuesday morning. When the elder Mr. Garrett learned of the catastrophe his first thoughts were of his son who he knew to be in the stricken city. Mr. Garrett sent several telegrams but no response came until this morning, when young Garrett wired his father that he is safe at Oakland. Marion Garrett was employed in a printing office located in a building that was reported destroyed, so his father naturally entertained fears for his safety. There are several other Spartanburg people who resided in the Golden Gate city, but so far no word has been received from them by relatives here, all of whom are exceedingly anxious.

For Practicing Without License.
Special to The Observer.
Spartanburg, S. C., April 21.—Dr. R. M. Dorsey, a physician and oculist of this city, has sworn out a warrant against Dr. A. B. Crim for practicing medicine without a license. The case will be heard before Magistrate Kirby by next Tuesday. Dr. Crim claims that he does not practice medicine, his business being confined to the fitting of glasses. Dr. Dorsey states that he is acting for the county medical society and that he has proof to bear out the charges. This, he says, will be shown at the investigation. The case is of general interest for both men whose names figure in the story are well-known locally, while Dr. Crim has offices in other towns in the State.

DEAFNESS CAUSED BY CATARRH—RELIEVED BY PE-RU-NA.

Gen. A. M. Legg, writes from the Savings Bank Building, Washington, D. C., as follows:
"I take pleasure in endorsing the many recommendations I have heard and read of Peruna, because of having had knowledge of the truth of so many of them."

"We always tell our sick and ailing friends of the remedies that we have learned, from experience, were good for us when ailing in the same way, and we do it as a duty we feel that we owe them."

"Why is it any the less our duty to advise all the people we can when we know of a good and comparatively inexpensive remedy that makes many cures, and benefits in almost all cases?"

"My own little personal experience of being relieved of deafness, caused by a siege of catarrh, warrants me in advising all the afflicted to just try Peruna."

Gen. E. S. Yoder

Used Pe-ru-na—Satisfied as to Its Merits Recommends it to All Sufferers.

Gen. E. S. Yoder, 203 Md. Ave., N. E., Washington, D. C., writes:
"I desire to say that I have found Peruna to be a wonderful remedy. I only used it for a short time and am thoroughly satisfied as to its merits. I shall gladly recommend it to all sufferers."

For Kidney Trouble, Coughs, Colds and Catarrh.
Gen. A. T. Hawley, 1226 25th St., N. W., Washington, D. C., writes:
"I have used Peruna and find it very beneficial for kidney trouble, and especially good for coughs, colds and catarrhal trouble."

Revised Formula.
"Peruna has been improved and made more effective than ever before. It is now a more powerful and more reliable remedy than ever before. It is now a more powerful and more reliable remedy than ever before. It is now a more powerful and more reliable remedy than ever before."

"For a number of years requests have come to me from a multitude of grateful friends, urging that Peruna be given a slight laxative quality. I have been experimenting with a laxative addition for quite a length of time, and now feel gratified to announce to the friends of Peruna that I have incorporated such a quality in the medicine which, in my opinion, can only enhance its well-known beneficial character."

When Other Remedies Failed Pe-ru-na Proved Efficacious.

Hon. Geo. W. Honey, National Chaplain U. V. U., Ex-Chaplain 4th Wisconsin Cavalry, Ex-Treas. State of Wisconsin and Ex-Q. Master General State of Texas, G. A. R., writes from 1709 First street, N. E., Washington, D. C., as follows:
"I cannot too highly recommend your preparation for the relief of catarrhal troubles in their various forms."

"Some members of my own family have used it with most gratifying results."

"When other remedies failed, Peruna proved most efficacious and I cheerfully certify to his curative excellence."

Pe-ru-na, a Standard Treatment for Catarrhal Diseases.

Mr. John C. Nelson, Dayton, Tenn., geologist and mining engineer, while a Captain in the Federal Army during the Civil War, contracted a case of rheumatism. This malady was constant and persistent, inducing the development of other ailments, which also became chronic. After taking a course of Peruna, Capt. Nelson writes:
"Having been painfully afflicted with chronic rheumatism and the adjunctive complications for many years, and after having received many general and special treatments with only temporary relief, I read your scientific treatise on catarrhal diseases."

"At my request you prescribed a special course of the Peruna remedies, which I closely followed, and am happy to report that my rheumatism and complicated ailments are subdued, and I feel young again at the age of 59 years."

"Reason will accept your classification of catarrhal diseases as scientific and true, and the Peruna remedies as a standard treatment for them. I thank you heartily for your skilled and logical advice."

James J. Osborn, 623 Wahsatch Ave., Colorado Springs, Colo., has filled all the positions in Knight Templars Masonic Order, was a Mason since 1828, Judge of County Court, Clinton, Mo., and also County Collector of Clinton. He writes:
"A sluggish liver which I had been troubled with for two years made life miserable and I was unable to attend to my business half the time. I lacked energy, had headache most of the time, and my food distressed me and did not seem to do me a particle of good."

"Reading of the many cures performed by Peruna, I decided to try a bottle. Before I had taken many doses I felt better."

"I took it as directed for two months when I was a well man."

Startling Statistics and What They Suggest

RECENTLY compiled statistics show that, in the United States, 60,000 persons, or more than twice the number of inhabitants of any city in North Carolina, die every year as the result of accidents. When one considers that this means the loss of a human life by accident every nine minutes in every day in the year, one begins to realize what a murderous thing is our boasted civilization. These figures furnish convincing proof why one should protect himself against accidental death by buying the Greensboro Life Insurance Company's Income Indemnity Policy. It costs you no more than the average life policy, but if you were to die with one of the 60,000 victims of fatal accidents, the Income Indemnity Policy would be worth twice as much to your beneficiary.
