PAITHFUL FEW GREET DOWIE.

nly a Handful of People, Mostly Women, at Zion City Depot to Welcome Repudiated "Apostle"— Heartily Welcomed at His Home

by Mrs. Dowie.
Chicago, April 28.—"I am giad to be home again." With these words, John Alexander Dowie, the deposed leader of the Christian Catholic Church in of the Christian Catholic Church in America, this afternoon stepped within the portals of Shiloh house, thus completing his much-heralded entry into Zion City after an absence of several months during which time he had been deserted by a large part of his fellows and had been stripped of all ecclesiastical authority. Mrs. Dowie, the wife of the "first apostle," met him at the door of Shiloh house and gave him a hearty welcome. gave him a hearty welcome.

Dowle's return to Zion City was de-

void of all pomp and ceremony. Only handful of people were at the station to greet him, and the majority of these were women. When Dowle to-day left the Audi-

torium Annex, where he had been stop-

ping since his return from Mexico, he was driven to the Chicago & North western depot, where a private car had been attached to the regular 2 o'clock train, iffe was accompanied by several of his personal attendants.
As Dowle alighted from the train at Zion City, he was greeted by shouts of "Peace to thee." He responded with the customary "Peace to thee, multiplied." Rain, which had been threatening for some time, then began to fall and the crowd, with one accord, began to sing "Showers of Blessings."

### MARION PEOPLE INDIGNANT.

Operator Responsible for Wreck Did Not Run, as Stated in Raleigh Pa-per, but Faces the Charge—He Does Daily the Work of Two Men. Correspondence of The Observer.

Marion, April 28.-The report sent o a Raleigh newspaper yesterday relative to the accident on the Southern Rallway just above Marion contains some of the most startling statements ever read. The report has it that the operator, who was responsible for the wreck, had grabbed his hat and heels, had taken to the woods and had not been heard from since. As a matter of fact, the operator here in Marion Mr. Bumgardner, was the man who was responsible, primarily, for the wreck, and like a man acknowledged the fact as soon as the accident occurred. There has never been a young man who has come into out town that has made more friends than this young fellow, kind, obliging, courteous, and diligent in the performance or his duties. He has hosts of friends who will regret to hear of the occurrence.

The people of the town do not blame Mr. Bumgardner for the accident, as any one who has ever been in telegraph office here and transacted business with the passenger department of this station well knows that the man performs duties which, if properly executed, would occupy the time of two men. It has been a matwith the traveling public that another man was needed for this office. Knowing the young man as they do, the people of Marion regret that such a report as that sent to the Raleigh paper should have gained publication and are very indignant over it.

The board will also take steps for advertising the facilities and advantages of our town and section for home

Correspondence of The Observer. Winston-Salem, April 28.—The South eastern Tariff Association has decided to revise the rates for Winston-Salem and remove the deficiency charge heretofore existing on mercantile buildings and contents without demanding additional fire protections, though the association's agent is of the opinion that the city officials will see the wisdom of installing the improvements approximately for the protections. see the wisdom of installing the improvements suggested for the protection of property. Get your silk dress on and de your own cooking with electric appliances. The heat is all internal and cooking is just fun.
