Watts can move the day up to suit the weather. However, if, at the ap-pointed hour to-day, the weather is clear the function will be pulled off according to schedule.

MANY MILLS ENLARGING.

Unusual Activity Among Carolina Mills—Much Machinery Being In-stalled—A Few Items of Interest, Superior Court yesterday was con-sumed with the argument in the case. Judge Burwell, for the plaintiff, open-There is a great activity among the arolina mills just at present. The ed the argument Thursday afternoon Carolina mills just at present. Speeches were made yesterday by Mr L. C. Caldwell and Col. W. B. Rodreports are coming in constantly of new mills starting up and old ones adding to their equipment. If one may judge by superficial signs, it man, for the defendant company, and Mr. E. T. Cansler, for the plaintiff. In this case, Mrs. Bettie Haynes is seems that the present age is one of marked prosperity. Few days pass suing the Southern Railway Com-pany for \$50,000 on account of the marked prosperity. Few days pass but that some mention is made of ad-ditional machinery being installed In the different mills over the State. An addition of \$60 spindles to the equipment is contemplated by the Highland Park Manufacturing Com-pany for Mill No. 2, at Rock, Hill, S. C. This enlargement, which will

necessitate the expenditure of from \$50,600 to \$100,600, will probably be taken up this summer. There are now in position \$,192 spindles and \$35 looms.

The volumn's Home Marken is the second by the taken up this summer. There are now in position \$.192 spindles and \$.336 looms.
The sequipment of the Dover Yarn Mills, of Pineville, has recently been increased from \$.500 to 14.000 spindles, with preparatory machinery to match. These betterments cost approximately \$60,000.
The Victoria Cotton Mills, of Rock Hill. S. C. will at once finital 2,440 new spindles, making the total equipment consist of \$.216 spindles and \$00 looms.
Linn Mills Co. of Landis, has recently added 254 spindles, and pow has 5.168 in position.
Fountain Cotton Mills, of Tarboro, has recently added 1,224 spindles and now has a total of 6,528 spindles.
FAR OFF MOTHER'S OUTST.

A FAR-OFF MOTHER'S QUEST.

Mrs. J. Hannay, of Scotland, De-sires Information About Her Lost Son, Guy Hannay Slevin.

The Observer is in receipt of a letter from Scotland, in which a mother aaks for news of her son, who left the old home years ago and came to North Carolina, A copy of the letter follows:: "Garnock Villa, West Bay, Millport, Buteshire. April 19th, 1906.

"Garnock Villa, West Bay, Millport, Buteshire." April 18th. 1906. "The Charlotte Observer." "Dear Sirs: I have been advis-ded by R. Beverty Herbert, special representative of Great spittan and France to apply to you to see if you could assist me in finding the address of a boy of mine who, I hear, has made his way to North Carolina. I am his mother and at the death of his father he went away and I have heard nothing of him since. He is young-18 years and hair, siender but muscular and about 5 feet 9 inches in height. His name is Guy Hannay Slevin. I sm ohim and would feel farever obliged to you if you could let me hear from you. All that I want to know he went from you some day. Please try your best for me. "I am, yours truly."

Late John D. Walls' Estate. Correspondence of The Observer. Winston-Salem, May 3.—Postmas-ter C. A. Reynolds, as executor of the same this afternoon with Clerks Tran-son for probation. Mr. Walls' estate is estimated to be worth about \$25.-666. All of his property is left to his wife and two-children. Hilds K. and John D. Wall. The question of sell-ing Mr. Wall's interest in the hard-ware business of the Wall-Huske Company is optional with the execu-tor. Mr. Reynolds sated to-day that he did not think he would sell the inck for less than par. The amount held by the deceased was \$16,000. popular overy day. Absolutely pure
