WHAT INSURANCE MEN SAY. rs. H. R. Wildox and W. L. Wil-de, Officials of Two Big Com-nies, Talk of the Action of the State Medical Society in Demand-ing \$5 Fees.

The Mutual Life Insurance Compuny, of New York, will not pay the members of the State Medical Society in session, 'Tuesday,' declared Mr. Harris R. Wilcox, State agent, to an Observer reporter yesterday. "I speak advisedly when I say that the company would leave the State before it would consent to pay anything other than the present graded schedule. Of course, nothing so serious as this is sticipated. There are a number physicians in different sections of the State who do not belong to the State organization. Many of these have already signified their willingness to become examiners for the in surance companies under the ent schedule. Letters have been re-ceived from members of the State or to the unthipated action of the organization in raising the fees eral of these dectors were even further to say that if their sety ces were needed they would stand by the in-surance companies. Then, too there are always young doctor- just beginning the practice of moderne who are glad to receive the work of the

e glad to receive the work.

Mrs. Puncan change and gate Tylder called her to open a gate Tylder called her to open a gate two we do not anticipate anothing them her refusal to do as he said, most as a result of the action of the first puncan claims that he defend-Insurance companies perious as a result of the otion of the State Medical Society Tuesday may bring about a little delay but this can be exercise in the course of that the Mutual Life will do, and 1 believe they will not make any comcessions to the doctors of North Cat has the other States of the You must remember that this stated that after a struggle she mangraded schedule of fees let evalue aged to regain her feet, whereupon inations applies to Texas, North Da It does to North Carolina II the Mutual Life should agree to pay the \$5 fee in North Carolina tion the company would be found to do the same thing in every State and Terri-tory in the country. The insurance officials say that the work none does not warrant more than the present fees and they are determined not to pay more. If necessary the compamedical examiner, whose duty it will the examinations and make must not be overlooked that the tendency is for the fee schedule among many of those companies which are now paying \$5. Before the year is is believed that many of these will be in line. The companies with the graded schedule of fees can throw enough business to an examiner now Mr. W. L. Wilholte, agency director

of the Charlotte branch office of the New York Life Insurance Company was also interviewed by an Observe reporter yesterday afternoon views coincided with those of Mr Wilcox, of the Mutual Life, the declared that he had already received instructions from the home office to cut out such territory in the western district of North Carolina where examiners could not be secured for the regular graded schedule of fees, pending the settlement of the question by concerted action on the part of the several insurance companies con-Mr. Williotte moverted that the companies would fight the issue to a finish, believing that their contentions were just and fair
