Newbern, June 17 .- The dead body of C. T. Watson, one of the most prominent men in the county, was found in the woods two miles from here this morning. Circumstances show that he was murdered. His head was black and swollen as if he had been choken to death.

He has not been seen since Friday evening, and it seems probable that he was lured to the place and mur-

The Foy woman is said to have received attention from other men, which caused jealousy on Watson's part, and he had driven out in the country to make investigations of some rumors.
