BIG MEETING OF FARMERS

OFFICIAL PROGRAMME GIVEN

torth Carolina Farmers' Convention to be Held in Baleigh, July 10th-12th-Many Mecklenburg Parmers to Attend-Delegation to be Head-ed by Stecie Creek Band-Secre-tary J. C. Kendall Here-The Pro-gramme in Detail.

The farmers of Mecklenburg coun-are manifesting much interest in a North Carolina Farmers' Convention, which is to be held in Raleigh, the 19th, 11th and 12th of July. This is the third annual meeting and the ons are that it will surpass all others in attendance. The sessions are to be held in the Pullen build-ing, at the A. & M. College, an ideal place for such a gathering.

The convention is to be a joint neeting of several organizations, samely, the North Carolina Dairy-Association, the North Carolins Farmers' Protective Association the North Carolina division of Southern Cotton Association. In

addition to these large organizations, a meeting of the farmers' institute committee will be held for consultation as to the best methods of institute work. The woman's depart-ment of the convention will be in harge of Mrs. F. L. Stevens.

A number of experts will be present at the convention. Three special ists from the Department of Agriculture in Washington will hand to assist those who have charge of the meeting. One of the pleasing features, especially to the State dairymen, will be the educational butter contest, which is open to all members of that association. Cash prizes aggregating \$50 will be awarded the successful contestants.

Mr. C. C. Moore, of Charlotte, is president of the North Carolina Farmers' Convention. Prof. J. C. Kendall, of Raleigh, is secretary. Both President Moore and Secretary Kendall were in the city yesterday, and were very enthusiastic over the prospects of the meeting. President Moore states that he will carry with him to Raleigh, one of the biggest aggregations of Mecklenburg farmers that ever attended such a meeting. The well-known Steele Creck Band will head the delegation.

The programme of the convention follows TUESDAY, JULY 10TH NOON.

A JAIL DELIVERY FOILED

PRISONERS TIP DURHAM JAILER

Hack Saws Were Slipped into Dur-ham County Prison and the Job of Effecting an Escape Would Have Been Completed Last Night, but for the Information from Prisoners Who Overheard Plans of the Plot-ters—Two of Those Incarcerated Charged with Capital Crimes.

Special to The Observer. Durham, June 20 .--- It was discover ed to-day that hack saws had been slipped into the county jall and that several prisoners were sawing their

way out to liberty. The matter was tipped off to the jailer and he found the saws in use, and made changes just in time to prevent a jail delivery. By mid-night to-night the prisoners at work would have sawed their way out. They had been at work with the saws since Sunday night. ' Not long since five boys were sent to

jail for staling and one of the num-ber, Clyde Strayhouse, succeed in giving bond. As he was leaving the jall a prisoner overheard him say to the others that he would get saws into the cell and that they could get out. Sunday evening the boy carried out

his promise and the work on the in-When the prisoners reported the matter two locks to a shutter had been sawed off and two or three of the bars across the window were half sawed. To-night it would have been an easy matter to have finished the job and four of the prisoners would have been at liberty. It is supposed that the other prisoners would have been given assistance by these An the jail now. There are a large number among whom are John H. Hodges, the wife-murderer, under sentence of death; Freeman Jones, charged with death; Freeman Jones, charged with burglary and attempt at criminal as-sault, and C. A. Peters, charged with criminally assaulting his daughter. The boy who slipped the saws into the jall is under arrest.

Prof. J. B. Henson Elected Principal. At a meeting of the Mt. Holly graded school board yesterday, Prof. J. B. Henson, one of the best known teachers of this county, was elected principal of that institution. Prof. Henson has been principal of the Observer school, in Steele Creek township for the past two years and is one of the county's most efficient teachers. It is very probable that he will accept the new position tendered him. Mr. T. A.
