only

The reasons why a man who is drunkard should take the Keeley Cure: First. Before I took it I WOS S sot. Now I am a respected man, with home, a family and friends and some

two thousand dollars worth of property. Second. I was a miserable sufferer suffering bodily and with mental pain and anguish. Now I am free

from pain, free from the demon of despair, free from the awful flery thirst that consumes the man who drinks Third. If there is a treatment that

will transform a man from what I was to what I am. I say that every one who wants to be free from the slave of drink should take the Keeley Cure. Very respectfully, JOHN B. WILLIS.

If you have a friend who might be benefitted, please send names to the Keeley Institute, Greensboro, N. C.

WILL BUILD NEW POWER HOUSE

4C's to Erect New Power House in Front of Westminster Church-A New Gas Plant to be Installed. The ground has been cleared for construction of a new power house by the 4C's in Dilworth. The building will be of brick, one story and will be located on the 4C's in front of the Westminster Presbyterian church, The building will have a frontage on the Boulevard of 125 feet, with a rear extension of 80 feet. It will be constructed for the special purpose of accommodating the new machinery which was ordered by the

company some months ago. The plans and specifications of the new building have already been drawn, and the excavation will begin prob-
