

STATEMENT CONTRADICTED

The Evening News of yesterday stated that Will Hayes took the McKanna Three Day Liquor Cure of Dr. McKanna during the time Dr. McKanna was in this City.

Charlotte, N. C., July 16, 1906.
I hereby certify that Will Hayes was not one of the men treated by Dr. McKanna for the liquor habit at this hotel, nor to my knowledge did anyone of this name apply for treatment. Following are the names of those treated here: Messrs. Lawing, Ayers, Donaldson, McCall. There was a man named Crump who started on the treatment, but quit after one half-day's trial, going home to dinner and not returning. I was in the room over a dozen times each day and saw the treatment administered.

M. P. O'CALLAHAN,
Manager the Central Hotel.

I, Dr. J. J. McKanna, do solemnly swear that Will Hayes did not take my treatment while I was in Charlotte, and to the best of my knowledge and belief, has never taken the McKanna treatment at any of my institutions. Further, that I am not acquainted with Will Hayes.

Signed J. J. McKanna.

Sworn to and subscribed to before me this the 16th day of July, 1906.

JNO. R. ROSS,
Notary Public.

My commission expires April 13, 1906.

Dr. McKanna Will be at the Central Hotel To-Day for Consultation Only
