Norfleet Camp to Hold Annual Outing at Nissen Park August 11—Another Dynamite Explosion at Kernersville, Special to The Observer.

Winson-Salem, July 19.—The Nor-fleet Camp of Comeder to Veterans has decided to have its annual picnic at Nissen Park, Saturday, August 11. At a called meeting of the camp yes-terday afternoon all arrangements were made for the outing. J. Brown, commander, was in the chair and Mr. C. B. Watson explained the object of the meeting. The vet-erans will assemble at the Confederate monument at 10 o'clock in the morning and will take cars for the park. Everybody is expected to carry a basket filled with provisions to the park. A good time is promised the old soldiers and their friends. An especial welcome awaits the widows and children of deceased veterans. Committees were named to make all

arrangements for the outing. Up to this time the contest over the Democratic nomination for sheriff has been one of peace and harmony. The impression seems to be general that, if all the aspirants remain in the race, there will be no nomination on the first, second or third ballots. bets are being made as to who will win.

The North Winston Baptist Sunday school will picnic at Yadkin river July 24. The school will go to the river in wagons.

Supt. Flynt, of the county home reports that the wheat crop on the county farm this year threshed out 5,663 bushels. The yield is a nice increase over last year.

Another dynamite bomb was exploded in or near Kernersville last night. It awakened the natives, but citizen of that town says explosions have become so common that they no longer create any atarm or excitement. It was learned to-day that the town commissioners have decided to employ another policeman as soon as the term of the present officer expires. He is employed by the month.
